

**DEPARTMENT OF THE INTERIOR****National Park Service**

[NPS-PWR-PWRO-14640;  
PX.DYOSE1318.00.1]

**Notice of Availability of Record of Decision for Restoration of Mariposa Grove of Giant Sequoias, Yosemite National Park, California**

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice of Availability of Record of Decision.

**SUMMARY:** Pursuant to § 102(2)(C) of the National Environmental Policy Act of 1969 (Pub. L. 91-190, as amended) and the regulations promulgated by the Council on Environmental Quality (40 CFR part 1505.2), the Department of the Interior, National Park Service (NPS), has prepared and approved a Record of Decision for the Final Environmental Impact Statement (Final EIS) for the Restoration Plan for Mariposa Grove of Giant Sequoias. The requisite no-action "wait period" was initiated on November 1, 2013, with the Environmental Protection Agency's **Federal Register** notice of the filing of the Final EIS.

*Decision:* The NPS has selected Alternative 2 (identified as "preferred" in the Final EIS) for implementation as the approved Restoration Plan for Mariposa Grove. Key components of the approved plan are as follows: (1) The existing parking lot in the lower Mariposa Grove area will be relocated to a visitor contact area at the South Entrance to the park, about two miles from the Grove; (2) parking will be consolidated into a 295-space parking and transit hub, with a park shuttle available to transport visitors from the South Entrance to the lower Grove area; (3) a hiking trail to the Grove and new accessible trails within the lower Grove area and near the Grizzly Giant tree will be constructed; (4) adverse effects to cultural resources will be ameliorated according to a Memorandum of Agreement executed with the State Historic Preservation Officer; and (5) ecological restoration actions will be undertaken to improve hydrologic flows, water infiltration, and reduce erosion.

Three other alternatives were evaluated, the full range of foreseeable environmental consequences was assessed, and appropriate mitigation measures were identified. Alternative 2 (selected for implementation) was deemed to be the "environmentally preferred" course of action.

Interested parties desiring to review the Record of Decision may obtain a

copy by contacting the Superintendent, Attn: Division of Project Management, Yosemite National Park, P.O. Box 700-W, 5083 Foresta Road, El Portal, CA 95318 or via telephone request at (209) 379-1202.

Signed: December 16, 2013.

**DEPARTMENT OF THE INTERIOR****Bureau of Ocean Energy Management**

[OMB Number 1010-0006; MMAA104000]

**Information Collection: Leasing of Sulphur or Oil and Gas in the Outer Continental Shelf and Pipeline Rights of Way; Submitted for OMB Review; Comment Request**

**ACTION:** 30-day notice.

**SUMMARY:** To comply with the Paperwork Reduction Act of 1995 (PRA), the Bureau of Ocean Energy Management (BOEM) is notifying the public that we have submitted an information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval. The information collection request (ICR) concerns the paperwork requirements in the regulations under 30 CFR Part 556, Leasing of Sulphur or Oil and Gas in the OCS; 30 CFR Part 550, Subpart J, Pipelines and Pipeline Rights-of-Way; and 30 CFR Part 560, OCS Oil and Gas Leasing. This notice provides the public a second opportunity to comment on the paperwork burden of this collection.

**DATES:** Submit written comments by March 5, 2014.

**ADDRESSES:** Submit comments on this ICR to the Desk Officer for the Department of the Interior at OMB-OIRA at (202) 395-5806 (fax) or *OIRA\_submission@omb.eop.gov* (email). Please provide a copy of your comments to the BOEM Information Collection Clearance Officer, Arlene Bajusz, Bureau of Ocean Energy Management, 381 Elden Street, HM-3127, Herndon, Virginia 20170 (mail) or *arlene.bajusz@boem.gov* (email). Please reference ICR 1010-0006 in your comment and include your name and return address.

**FOR FURTHER INFORMATION CONTACT:** Arlene Bajusz, Office of Policy, Regulations, and Analysis at *arlene.bajusz@boem.gov* (email) or (703) 787-1025 (phone). You may review the ICR online at <http://www.reginfo.gov>. Follow the instructions to review

Department of the Interior collections under review by OMB.

**SUPPLEMENTARY INFORMATION:**

*Title:* 30 CFR Part 556, Leasing of Sulphur or Oil and Gas in the OCS; 30 CFR Part 550, Subpart J, Pipelines and Pipeline Rights-of-Way; and 30 CFR Part 560 OCS Oil and Gas Leasing.

*Forms:* BOEM-0150, 0151, 0152, 2028, 2028A, 2030.

*Abstract:* The Outer Continental Shelf (OCS) Lands Act, as amended (43 U.S.C. 1331 *et seq.*, and 43 U.S.C. 1801 *et seq.*), authorizes the Secretary of the Interior to prescribe rules and regulations to administer leasing of the OCS. Such rules and regulations will apply to all operations conducted under a lease. Operations on the OCS must preserve, protect, and develop oil and natural gas resources in a manner that is consistent with the need to make such resources available to meet the Nation's energy needs as rapidly as possible; balance orderly energy resource development with protection of human, marine, and coastal environments; ensure the public a fair and equitable return on the resources of the OCS; and preserve and maintain free enterprise competition. Also, the Energy Policy and Conservation Act of 1975 (EPCA) prohibits certain lease bidding arrangements (42 U.S.C. 6213(c)).

The Independent Offices Appropriations Act (31 U.S.C. 9701), the Omnibus Appropriations Bill (Pub. L. 104-133, 110 Stat. 1321, April 26, 1996), and Office of Management and Budget (OMB) Circular A-25 authorize Federal agencies to recover the full cost of services that provide special benefits. Under the Department of the Interior's (DOI) implementing policy, the Bureau of Ocean Energy Management (BOEM) is required to charge the full cost for services that provide special benefits or privileges to an identifiable non-Federal recipient above and beyond those that accrue to the public at large. Instruments of transfer of a lease or interest are subject to cost recovery, and BOEM regulations specify the filing fee for these transfer applications.

This notice concerns the reporting and recordkeeping requirements of BOEM regulations at 30 CFR 556, Leasing of Sulphur or Oil and Gas in the OCS; 30 CFR 550, Subpart J, Pipelines and Pipeline Rights-of-Way; 30 CFR 560, OCS Oil and Gas Leasing; as well as the related Notices to Lessees and Operators (NTLs) that clarify and provide additional guidance on some aspects of these regulations. This ICR also concerns the use of the following forms to process bonds, transfer interest in leases, and file relinquishments:

- BOEM–0150, Assignment of Record Title Interest in Federal OCS Oil and Gas Lease,
  - BOEM–0151, Assignment of Operating Rights Interest in Federal OCS Oil and Gas Lease,
  - BOEM–0152, Relinquishment of Federal OCS Oil and Gas Lease,
  - BOEM–2028, OCS Mineral Lessee’s and Operator’s Bond,
  - BOEM–2028A, OCS Mineral Lessee’s and Operator’s Supplemental Bond,
  - BOEM–2030, OCS Pipeline Right-of-Way Grant Bond.
- BOEM uses the information collected to determine if applicants are qualified

to hold leases in the OCS, assign a qualification number to avoid respondent submission of information already on file, develop the semiannual List of Restricted Joint Bidders, ensure the qualification of transferees and track operators on leaseholds, document that a leasehold or geographical subdivision has been surrendered by the record title holder, and ensure that adequate funds are secured to complete existing and future bond obligations.

We will protect information from respondents considered proprietary according to section 26 of the OCS Lands Act, the Freedom of Information Act (5 U.S.C. 552) and its implementing

regulations (43 CFR part 2 and 30 CFR 556.10(d)). No items of a sensitive nature are collected. Responses are mandatory or are required to obtain a benefit.

*Frequency:* On occasion or annual.

*Description of Respondents:* Respondents comprise Federal oil, gas, or sulphur lessees and/or operators.

*Estimated Reporting and Recordkeeping Hour Burden:* We expect the annual reporting burden estimate for this collection to be 17,882 hours. The following table details the individual components and respective hour burden estimates of this ICR.

Citation 30 CFR part 556 and NTLs	Reporting requirement*	Non-Hour Cost Burdens**		
		Hour burden	Average number of annual responses	Annual burden hours
<b>All Subjects</b>

\* In the future, BOEM may require electronic filing of certain submissions.  
 \*\* Fees are subject to modifications annually per inflation.  
 \*\*\* Existing requirement, previously overlooked.

*Estimated Reporting and Recordkeeping Non-Hour Cost Burden:* \$613,994.

*Public Disclosure Statement:* The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond.

*Comments:* Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3501, *et seq.*) requires each agency “. . . to provide notice . . . and otherwise consult with members of the public and affected agencies concerning each proposed collection of information . . .” Agencies must specifically solicit comments to: (a) Evaluate whether the collection is necessary or useful; (b) evaluate the accuracy of the burden of the proposed collection of information; (c) enhance the quality, usefulness, and clarity of the information to be collected; and (d) minimize the burden on the respondents, including the use of technology.

To comply with the public consultation process, on November 4, 2013, BOEM published a **Federal Register** notice (78 FR 66066) announcing that we would submit this ICR to OMB for approval. This notice provided the required 60-day comment period. We received one comment, but it was not relevant to the information collection.

*Public Availability of Comments:* Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: January 24, 2014.

**BILLING CODE 4310-MR-P**

**INTERNATIONAL TRADE COMMISSION**

[Investigation Nos. 701-TA-451 and 731-TA-1126-1127 (Review)]

**Lightweight Thermal Paper From China and Germany; Notice of Commission Determination To Conduct Full Five-year Reviews**

**AGENCY:** United States International Trade Commission.  
**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it will proceed with full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the countervailing duty order and antidumping duty orders on lightweight thermal paper from China and Germany would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date. For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

**DATES:** *Effective Date:* January 23, 2014.

**FOR FURTHER INFORMATION CONTACT:** Amy Sherman (202-205-3289), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202-

205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>). The public record for this review may be viewed on the Commission’s electronic docket (EDIS) at <http://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:** On January 23, 2014, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c)(5) of the Act. The Commission found that the domestic interested party group response to its notice of institution (78 FR 60313, October 1, 2013) was adequate and that the respondent interested party group response with respect to Germany was adequate, and decided to conduct a full review of the antidumping duty order on lightweight thermal paper from Germany. The Commission found that the respondent interested party group response with respect to subject imports from China was inadequate. However, the Commission determined to conduct full reviews concerning the orders on lightweight thermal paper from China to promote administrative efficiency in light of its decision to conduct a full review with respect to Germany.<sup>1</sup> A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s statements will be available from the Office of the Secretary and at the Commission’s Web site.

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

<sup>1</sup> Commissioners Shara L. Aranoff and F. Scott Kieff did not participate in these adequacy determinations.
