Available Benefits:*

Immigrant Petition by Alien Entrepreneur

You may submit a request for classification as an alien entrepreneur (EB-5) electronically in USCIS ELIS (currently referred to as Form I-526, Immigrant Petition by Alien Entrepreneur. OMB No. 1615-0026; Exp. 5/31/2013).

You may submit this request if you have established a commercial enterprise:

- In which you will engage in a managerial or policy-making capacity;
- In which you have invested or are actively in the process of investing the amount required for the area in which the enterprise is located;
- Which will benefit the U.S. economy; and
- Which will create full-time employment in the United States for at least 10 U.S. citizens, lawful permanent residents, or other immigrants authorized to be employed, other than yourself, your spouse, your sons or daughters, or any nonimmigrant aliens.

The establishment of a new commercial enterprise may include:

- Creation of a new business;
- Purchase of an existing business with simultaneous or subsequent restricting or reorganization resulting in a new commercial enterprise; or
- Expansion of an existing business through investment of the amount required, so that a substantial change (at least 40 percent) in either the net worth, number of employees, or both, results.

The amount of investment required in a particular area is specified in the statute (section 204(b)(5)(A) of the Immigration and Nationality Act, 8 U.S.C. 1154(b)(5)(A)) and regulations at 8 CFR 204.6. Unless adjusted downward for targeted areas or upward for areas of high employment, the required investment is **\$1 million**.

You may obtain additional information about EB-5, Alien Entrepreneurs from our website at www.uscis.gov, or a U.S. Embassy or consulate abroad.
