

Welcome to the United States Coast Guard Academy Introduction Mission (AIM) Program Application!

USCGA applications are not part of the ApplyYourself (AY) network and therefore require you to create a unique username and password. Even if you already have an AY account that you've used to apply to another institution, you'll need to create a new one using the "create account" button (on the right) before you can access our applications. This new AY account allows you to save your progress on our applications, so that you can return to work on your applications over several sessions and transmit your information to us through a secure server. If you previously created an AY account to apply to our AIM Program, you can and should use that account to apply to the Class of 2018.

Please carefully read all instructions that appear throughout our applications. You can only submit an application once, so updates will need to be provided to the Admissions Office via e-mail for inclusion in your record. By accessing our applications, you are confirming that you have read and understand our Privacy Act Statement. All information submitted to USCGA, including your personal statements, is protected under the Privacy Act.

**Privacy Act Statement:** In accordance with 5 USC 552(e)(3), the following information is provided to you when supplying personal information to the USCG: (1) Authority which authorizes the solicitation of the information: 14 USC 182(a); (2) The Principal Purpose for this information is to ensure that the applicant is basically qualified to apply for the USCGA or AIM Program; (3) Routine uses which may be made of the information: a) As background information on applicants for the selection process; b) To contact the applicant; c) The social security number may be used as a unique identifier; d) To determine if there are existing USCG records on the applicant; and e) In performance of the duties of officials and employees of the USCG, in managing and contributing to the USCGA or AIM Program selection process and tendering appointments to the same; (4) Disclosure of the information is voluntary, but the applicant will not be considered further if the information is not provided. Submissions of Evaluators will not be disclosed to the applicant without Evaluator consent. Release to any other individual/entity is only as required by law.

**OMB No. 1625-NEW (Expires: mm/dd/yyyy):** An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The Coast Guard estimates that the average burden for this form is 180 minutes. You may submit comments concerning the accuracy of this estimate or any suggestions for reducing the burden to [Admissions@uscga.edu](mailto:Admissions@uscga.edu).

### Application System Requirements

- Supported browsers include Internet Explorer 8 & 9 (Windows), Firefox 3.6 & 7 (Mac), Firefox 3 and 7 (Windows), Chrome 12 (Windows and Mac), Safari 4 & 5 (Mac), (Macintosh users - OS X).
- While the majority of features will work with other browsers, we can only guarantee full compatibility and offer support for the browsers mentioned above.
- If you are using Internet Explorer 6, we strongly recommend upgrading to version 9 as version 6 does not meet our minimum security requirements.
- If you are using Compatibility View with Internet Explorer, some pages may not look as intended. We recommend removing applyyourself.com from your list of sites that have Compatibility View enabled.

For IE8:

- In Internet Explorer, open the Tools menu at the top and select Compatibility View Settings.
- Select applyyourself.com under "Websites you've added to Compatibility View."

- Click Remove.

For IE9:

- In Internet Explorer, right-click on the gear icon in the upper right hand corner, next to the "favorites" star icon. (If you don't see this gear icon or your "File" and "Tools" menus at the top of your window, press your F10 key to make them show.)
- Select Command bar.
- Open the Tools menu near the top and select Compatibility View Settings.
- Select applyyourself.com under "Websites you've added to Compatibility View."
- Click Remove.
- If you are using one of the supported browsers and are experiencing problems, we encourage you to upgrade to the latest version. If you still experience problems after upgrading, please make sure that your browser is set to accept cookies. Also, make sure the following browser settings are enabled:
  - JavaScript must be enabled.
  - Popup blockers must be disabled.
- If your browser has a section for trusted sites, please enter these two URLs:
  - <http://app.applyyourself.com>
  - <https://app.applyyourself.com>
- You will need Adobe Reader 6.0 or higher to download, view and print PDF files. While PDF files should work with most other PDF viewers, we can only guarantee full compatibility and support for Adobe Reader 6.0 or higher.
- If your email offers a whitelist, please add the following address:
  - [support@hobsons.com](mailto:support@hobsons.com)
- For security reasons, we recommend that you should logout of the online application after each session.

**Recommendations****Check Your Application****Welcome, Chris! Your application is in progress.**

Thank you for your interest in the United States Coast Guard Academy and the AIM Program. This application must be completed online and submitted electronically. You do not have to complete your application in one sitting - you may save your progress and return to work on your application until it is ready to submit. You can quickly switch between sections of the application by using the navigational links located on the left side of the screen.

If possible, consider completing the "Recommendations" section first to allow those individuals to begin working on your letters of recommendation while you are working on your application. Once you have completed your application, use the "Submit" button located at the top of the page to begin the process of electronically sending your application to our office.

**Please note that you can only submit your application once and, once submitted, you will not be able to make changes to your application using the online system; however, you may submit corrections via e-mail.**
