## PHMSA's Email to Shippers and Carriers Who Have Previously Volunteered\* to Participate in Pilot Tests

\*(via posting a comment to the 60-Day Notice and/or responding to the April 2013 webmail announcement)

## PAPERWORK REDUCTION ACT PUBLIC BURDEN STATEMENT

According to the Paperwork Reduction Act of 1995, a Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information unless it displays a current valid OMB control number. The valid OMB control number for this information collection is 2137-0034. The information requested on this form is being collected by the U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration (PHMSA). Public reporting burden for this collection of information is estimated to be 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. All responses to this collection are voluntary. Send comments regarding this burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to: Mr. T. Glenn Foster, Information Collection Clearance Officer, U. S. Department of Transportation, PHMSA, Office of Hazardous Materials Safety, PHH-10, 1200 New Jersey Ave., S.E., 2nd Floor East, E24-301, Washington, DC 20520.

The Pipeline and Hazardous Materials Safety Administration (PHMSA) is pleased to inform you that the U.S. Office of Management and Budget (OMB) has approved PHMSA's information collection package for the Paperless Hazard Communications Pilot Program, also known as the Hazardous Materials Automated Cargo Communication for Efficient and Safe Shipments (HMACCESS). This approval allows PHMSA to begin conducting pilot tests, which are designed to collect data regarding the feasibility, effectiveness, and safety associated with electronic transfer of HM shipping paper data between HM stakeholders (shippers, carriers, law enforcement inspectors, and emergency response personnel).

Please contact Luciana DiGhionno, PHMSA's Research and Development (PHH-23) Chief, at luciana.dighionno@dot.gov with any questions. Thank you for your continued interest in HM-ACCESS.
