If such title evidence is in the form of a title insurance policy, it shall by its terms inure to the benefit of the Mortgagee and the Secretary of Housing and Urban Development, as interest may appear. Such title evidence must be accompanied by a survey of the property, together with the Surveyor's Certificate showing that there are no easements or encroachments upon the subject property except those acceptable to the Commissioner, which survey will be extended from time to time during construction to show that the improvements on the site have been erected solely upon the land covered by the mortgage and within the building restriction lines, if any, on said land and do not encroach upon or overhang any land not covered by the mortgage nor upon any easement or right-of-way. This sum represents the difference between the Commissioner's estimate of the total cash required for carrying charges, financing, and for construction of the project, including builder's fees (or builder's and sponsor's profit and risk allowance, if any), architect's fees, and the maximum amount of the mortgage to be insured. These funds may be

reduced by so much of the profit and risk allowance and fees, up to a maximum of \$_____, as the closing documents show are not to be paid in cash.

Such instrument shall provide, among other things, for the establishment of a Reserve Fund for Replacements under control of the Mortgagee by payment of \$_____ per annum, to be accumulated monthly commencing on the date of the first payment to principal as established in the insured mortgage, unless a later date is agreed to by the Commissioner.

5. (a) Approval of advances in accordance with the Building Loan Agreement must be obtained on a form prescribed by the Commissioner prior to the date of each advance to be insured. A Contractor's Prevailing Wage Certificate will be filed with the request for approval of each advance which includes a payment for construction costs.

(b) During the course of construction, the Commissioner and his representatives shall at all times have access to the property and the right to inspect the progress of construction, and an inspection fee in the amount of \$_____ shall be paid upon the initial insurance endorsement of the mortgage note. Changes in the Drawings and Specifications which result in any net construction cost increase, or will, change the design concept, or will result in a net cumulative construction cost decrease of more than 2% of the contract amount may be effected only with the prior written approval of the Lender and the Commissioner. The Commissioner's approval of any change described above may be subject to such conditions and qualifications as the Commissioner in his discretion may prescribe.

7. If under the laws of the jurisdiction in which the project is located, the personal property of the Mortgagor, which is used in the operation of the project, is not covered by and subject to the real estate mortgage, the Mortgagee shall require and receive from the Mortgagor, prior to the final insurance endorsement of the mortgage note, a Security Agreement and a Financing Statement or such other security instrument as may be necessary to effect a first lien on such personal property in favor of the Mortgagee.

8. Any change in the sponsorship upon which this commitment is predicated must be requested in writing by the Mortgagee on behalf of any proposed substitute sponsor, and such request must be approved in writing by the Commissioner. Any sponsor or principal (including the principals of any parent entity of such sponsor or principal), who is now or who may later become involved in this project by way of financial interest, employment or otherwise, and who has not filed a certificate with the Commissioner fully disclosing his previous participation in FHA mortgage insurance programs, shall file such certificate on the form prescribed by the Commissioner and must be approved by the Commissioner.
