In order to serve its clients better, HUD has made the following non material change:

HUD is developing a new web-based "Pre-Screening Tool" to replace the Section 242 Hospital Mortgage Insurance Program's existing Preliminary Review process. The Preliminary Review process evaluates hospitals against Statutory, Regulatory, and credit benchmarks, and occurs before an application is delivered to HUD.

After the Tool is implemented, HUD will update the collection for this record with any adjustments necessary to reflect accurate reporting burden.
