Family Options Study

REVISED

36-Month Follow-Up ADULT Survey

December 2013

REVIEWER NOTE: CHANGES/NEW QUESTIONS FOR THE 36-MONTH SURVEY ARE HIGHLIGHTED

Introduction

Hello, my name is [   ]. I work for a company called Abt SRBI. Abt SRBI is an independent research company and we are helping the U.S. Department of Housing and Urban Development (HUD) to do this study.

You might remember meeting with me or one of my co-workers back in [MONTH/YEAR of RA] at [INSERT SHELTER NAME]. At that time I talked to you about a study that we are doing to find out about what kind of housing is best for families who become homeless.

Since that first meeting, you may recall participating in short telephone interviews with us or responding to a letter we sent you, or completing a longer interview around [MONTH/YEAR 18 MONTH COMPLETED]. When we last talked back in [MONTH/YEAR OF LAST INTERVIEW], I mentioned that I'd be getting in touch with you again to find out about your housing and other experiences.

I'd like to ask you some questions now. This interview will take about 60 minutes to complete. You can stop the interview at any time. You can choose not to answer any question. If you choose not to answer any questions or to stop the interview, there will be no penalty or effect on any benefits you receive now or in the future. The information you provide will be kept confidential and only used for studies about the housing and services that are the focus of this study. The Office of Management and Budget approved the collection of this information under OMB control number 2528-0259 and it expires xx/xx/xxxx. If you have comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, please send them to Michelle Wood c/o Abt Associates, 4550 Montgomery Ave, Suite 800N, Bethesda, MD 20814, Attn: OMB-PRA (2528-0259.

At the end of the interview, you will receive $60, in appreciation for your time. We may ask for your permission to collect data from up to two children in your household.

Do you have any questions?
[INTERVIEWER: ANSWER QUESTIONS ACCORDINGLY]

If you have any other questions, even after we finish this interview, you may also call the study toll-free line at 1-800-320-9193.

If you have any questions about your rights as a participant in this study, you can call Ms. Katie Speanburg, the Abt Associates Institutional Review Board (IRB) Administrator, toll free at (877) 520-6835.

Okay, let's get started.

TERMINATE SCRIPT 1:*I'm sorry, but I am having difficulty calling up your record. I will resolve this issue with my supervisor. I will try to reschedule this appointment at that time.*

SAMPLE VARIABLE DEFINITIONS:

- *SAMP_NUM1....SAMP_NUMx*: This is the randomly generated sample number for each potential focal child.
- *CHILD_WITH1...CHILD_WITHx*: This is the variable that indicates whether the child was in the shelter with the parent at baseline or not. 1=Yes with parent; 0=No not with parent
- *NEWBORN1....NEWBORNx*: This is the variable that indicates whether or not this slot for potential focal child is set as a newborn child. 0 = not newborn; 1 = slot for newborn 1; 2 = slot for newborn 2
- *NUMCHILD*: This is the variable indicates the maximum number of potential focal children for CAPI to loop through.

FOCAL CHILD SELECTION SCREENER

[ASK FOCAL CHILD SCREENER QUESTIONS ONLY IF 18 MONTH INTERVIEW NOT COMPLETED OR 18 MONTH COMPLETE BUT NO FOCAL CHILD SELECTED]

During prior interviews with us, you gave us some information about all the children living you and child members of your family that were not living with you. As I mentioned at the start of the interview, we want to ask you about up to two of these children. We also want to conduct some interviews or do some interactive assessments with up to two of these children.

The next few questions are intended to help us determine which child(ren) to ask about.
