

NON-SUBSTANTIVE CHANGE REQUEST FOR INFORMATION COLLECTION 3060-1142

The Federal Communication Commission is seeking a non-substantive change request for information collection 3060-1142. The Commission inadvertently omitted its annual cost burden with its last submission to OMB. With this non-substantive change request, we are including the annual cost burden to read as follows:

1,500 responses x \$815 filing fee = \$1,222,500.

Also, the cost burden has been included in the updated supporting statement.
