

Several weeks ago, you received a letter from the United States International Trade Commission (USITC) requesting that your firm complete a **mandatory** questionnaire related to USITC Investigation No. 332-543 (*Trade, Investment, and Industrial Policies in India: Effects on the U.S. Economy*). All individual responses will be kept strictly confidential. If you have already completed the questionnaire and returned it to the USITC, thank you.

If you have not had an opportunity to complete the questionnaire, please download it from: [link]. Please note that you will need your unique survey ID, which is the “Q” plus the last [#] digits of the bar code found on the front side of this card. It also appears in bold in the top right corner of the letter you recently received.

The questionnaire is due back to the USITC by **[DATE]**.

If you are experiencing difficulties for any reason accessing or submitting the questionnaire, or if you have questions, please contact the project leaders, William Powers or Renee Berry, at indiasurvey@usitc.gov. You may also call the team at 202-708-4721 or 202-708-2719.

We thank you for your participation.
