The screenshot shows a web browser window with the URL `seiservices.co1.qualtrics.com/jfe/form/SV_6LuWu6igr2tR6HX`. The main content area features a banner for the "28th ANNUAL REGULATORY INFORMATION CONFERENCE" (RIC) 2016, held from March 8-10. The banner includes the USNRC logo and the tagline "Protecting People and the Environment".

Below the banner, the text reads: "Dear RIC 2016 attendee: Thank you for making the U.S. Nuclear Regulatory Commission's (NRC's) 28th Annual Regulatory Information Conference (RIC) such a success! We really appreciate your participation and support this year. In an effort to build on achievements and to address any challenges from our 2016 conference, we are asking you to complete this short survey. Please note that this survey takes approximately ten (10) minutes to complete, and that your responses are kept confidential. Data will only be presented in aggregate form. Once again, we thank you for your support of the RIC!"

A "Public Burden Statement" follows, stating: "The estimated burden to respond to this voluntary information collection is 10 minutes. The information provided will be used to determine areas of improvement for future conferences. If a means used to impose an information collection does not display a currently valid OMB control number, the NRC may not conduct or sponsor, and a person not required to respond to, the information collection. Send comments regarding this burden to NRC Reports Clearance Officer, 11545 Rockville Pike, Rockville, MD 20852."

The survey instructions conclude with: "Click the button below to begin the survey." A red "Begin Survey" button is positioned to the right of the text.

At the bottom of the page, there is a "Survey Completion" progress bar showing 0% completion. The Windows taskbar at the very bottom displays the system clock as 2:04 PM on 2/11/2016.
