INSTRUCTIONS

Domestic manufacturers are required to pay assessments and file this report no later than the thirtieth calendar day of the month following the end of the quarter in which the paper and paper-based packaging was manufactured. The fiscal year runs from January through December. There are four quarters in each fiscal year. Quarter 1 covers January, February and March. Quarter 2 covers April, May, and June. Quarter 3 covers July, August, and September. Quarter 4 covers October, November, and December. Assessments for paper and paper-based packaging manufactured during Quarter 1 are due by April 30; for Quarter 2 by July 30; for Quarter 3 by October 30, and for Quarter 4 by January 30. Importers of paper and paper-based packaging shall pay through Customs; however, if Customs does not collect an assessment from the importer, the importer is responsible for paying the assessment directly to the Board and submitting this report to the Board with the assessment payment. All reports are held in strict confidence by the staff of the Board and the U.S. Department of Agriculture (USDA).

This report is required by law [7 U.S.C. 7416, 7 CFR Part 1222.52 and 7 CFR Part 1222.70]. Failure to report can result in a fine of not less than \$1,000 or more than \$10,000 for each such violation. Each such violation shall be deemed a separate violation. The making of any false statement or representation on this form, knowing it to be false, is a violation of Title 18, Section 1001 United States Code, which provides for the penalty of a fine of \$10,000 or imprisonment of not more than five years, or both.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0281. The time required to complete this information collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
