Community Harvest Permit (CHP).

An Area 2C or Area 3A community or Alaska Native tribe listed in 50 CFR 300.65(g)(1) or (g)(2) may apply for a CHP, which allows a community or Alaska Native tribe to appoint one or more individuals from its respective community or Alaska Native tribe to harvest subsistence halibut from a single vessel under reduced gear and harvest restrictions. The CHP consists of a Community Harvest Permit harvest log and up to 5 laminated permit cards.

NMFS may issue a CHP to any community or Alaska Native tribe that applies and that is qualified to conduct subsistence fishing for halibut. NMFS will issue a CHP to a community in Area 2C or Area 3A only if:

- ◆ The applying community is listed as eligible in Area 2C or Area 3A and
- ◆ No Alaska Native tribe exists in that community.

Eligible communities or Alaska Native tribes may appoint only one CHP Coordinator per community or tribe. The CHP coordinator must issue the laminated CHP permit card to an eligible fisherman. The fisherman must have the CHP permit card as well as his/her valid subsistence halibut registration certificate (SHARC) on his/her person when fishing under the CHP.

Each CHP will be valid only for the period of time specified on the permit. A CHP will expire one year from the date of issuance to a community or Alaska Native tribe eligible to harvest halibut. A community or Alaska Native tribe may renew its CHP.

Each Community Harvest Permit harvest log must be submitted to NMFS on or before the date of expiration by fax or mail. Harvest logs must be mailed to RAM at the address given above or faxed to 907-586-7354

Ceremonial Permit or Educational Permit.

An eligible Area 2C or Area 3A Alaska Native tribe may apply for a Ceremonial or Educational Permit, allowing the tribe to harvest up to 25 halibut per permit issued. The Ceremonial and Educational Permits each consist of a harvest log and a single laminated permit card.

NMFS may issue a Ceremonial or Educational Permit to any Alaska Native tribe that completes an application and that is qualified to conduct subsistence fishing for halibut. Eligible Alaska Native tribes may appoint only one

Ceremonial Permit Coordinator per tribe. Eligible Alaska Native tribes may appoint only one authorized Instructor per Educational Permit.

Each Ceremonial or Educational Permit will be valid only for the period of time specified on the permit. Ceremonial and Educational Permits will expire 30 days from the date of issuance to an Alaska Native tribe eligible to harvest halibut. A tribe eligible to harvest subsistence halibut may apply for additional Ceremonial or Educational Permits at any time.

Each Ceremonial Permit Coordinator or Educational Permit Instructor must ensure:

- ◆ The designated harvesters or students who may fish under the permit are identified on the Ceremonial/Educational Permit harvest log when the permit is used;
- ◆ The Ceremonial Permit remains in the possession of the Ceremonial Permit Coordinator or other tribal authority when not in use and is issued to designated harvesters when necessary; and
- ◆ All required recordkeeping and data reporting of subsistence harvests under the Ceremonial or Educational Permit are performed.

Submission of a Ceremonial or Educational Permit log is required upon the expiration of each permit and must be received by Restricted Access Management within 15 days of the expiration by fax or mail. Harvest logs must be mailed to RAM at the address below or faxed to 907-586-7354.
