MEMORANDUM FOR: U.S. Army Corps of Engineers (ATTN: Ms. Karen Mulligan,  
Regulatory Community of Practice)

SUBJECT: DMDC Review of U.S. Army Corps of Engineers Customer Service  
Survey for OMB Extension

As requested, DMDC has reviewed the subject study protocol and its supporting materials as part of the OMB submission process through WHS. The concerns raised in our reviews have been adequately addressed. Our recommendation to WHS/ESD is that the study protocol and the data collection materials are sufficiently designed and developed in order to be sent forward as required to obtain an extension of OMB approval for a Public Information Collection.

The point of contact for this review is Dr. Paul Rosenfeld, 571-372-0987,
