

Blast Injury Mobile Application User Feedback

Form Approved
OMB No: 0920-1009
Exp. Date: 3/31/2017

Public Reporting burden of this collection of information is estimated at 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NW, MS D-74, Atlanta, GA 30333; Attn: PRA (0920-0920-1009).

Thank you for installing CDC's Blast Injury Mobile Application. We appreciate your support and would like your feedback on the content, design, and use of this mobile application. Please take a moment to complete this survey. All survey responses are anonymous and you will not be identified. Your input is important.
