Subject: **Reminder: Cytology Workload Practices Survey**

[Survey Link](#)

There is still time to complete the Cytology Workload Practices survey. Please consider doing so at your earliest convenience as the survey is only open for two more weeks. **Your participation is important to the cytology profession, as you have the opportunity to contribute valuable information to agencies that develop the CLIA workload requirements.**

If you haven't forwarded the survey link to the cytotechnologists in your laboratory, please do.

Don't miss this opportunity to WIN A PRIZE for completing the survey. Prizes consist of a variety of educational materials.

Thank you for your participation.

This survey is supported by a contract (200-2013-57614) funded by the Centers for Disease Control and Prevention/Agency for Toxic Substances and Disease Registry.
