You may use this form if you received a notice that your monthly Medicare Part B (medical insurance) or prescription drug coverage premiums include an income-related monthly adjustment amount (IRMAA) and you experienced a life-changing event that may reduce your IRMAA. To decide your IRMAA, we asked the Internal Revenue Service (IRS) about your adjusted gross income plus certain tax-exempt income which we call "modified adjusted gross income" or MAGI from the Federal income tax return you filed for tax year 2012. If that was not available, we asked for your tax return information for 2011. We took this information and used the table below to decide your income-related monthly adjustment amount.

The table below shows the income-related monthly adjustment amounts for Medicare premiums based on your tax filing status and income. If your MAGI was lower than \$85,000.01 (or lower than \$170,000.01 if you filed your taxes with the filing status of married, filing jointly) in your most recent filed tax return, you do not have to pay any income-related monthly adjustment amount. If you do not have to pay an income-related monthly adjustment amount, you should not fill out this form even if you experienced a life-changing event.

THE PRIVACY ACT

We are required by sections 1839(i) and 1860D-13 of the Social Security Act to ask you to give us the information on this form. This information is needed to determine if you qualify for a reduction in your monthly Medicare Part B and/or prescription drug coverage income-related monthly adjustment amount (IRMAA). In order for us to determine if you qualify, we need to evaluate information that you provide to us about your modified adjusted gross income. Although the responses are voluntary, if you do not provide the requested information we will not be able to consider a reduction in your IRMAA.

We rarely use the information you supply other than for determining a potential reduction in IRMAA. However, the law requires us to give out the facts on this form without your consent. We may release information to another Federal, State, or local government agency to assist us in determining your eligibility for a reduction in your IRMAA, if Federal law requires that we do so, or to do the research and audits needed to administer or improve our efforts for the Medicare program.

See below for revised Privacy Act Statement.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, state or local government agencies. We will also compare the information you give us to your tax return records maintained by the IRS. The law allows us to do this even if you do not agree to it. Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Explanations about these and other reasons why information you provide us may be used or given out are available in Systems of Records Notice 60-0321 (Medicare Database File). The Notice, additional information about this form, and any other information regarding our systems and programs, are available on-line at www.socialsecurity.gov or at your local Social Security office.

Life-Changing Event--Request for Use of More Recent Tax Year Information

You do not have to complete this form in order to ask that we use your information about your modified adjusted gross income for a more recent tax year. If you prefer, you may call 1-800-772-1213 and speak to a representative from 7 a.m. until 7 p.m. on business days to request an appointment at one of our field offices. If you are hearing-impaired, you may call our TTY number, 1-800-325-0778.

Identifying Information

Print your full name and your own Social Security Number as they appear on your Social Security card. Your Social Security Number may be different from the number on your Medicare card.

STEP 1

You should choose only one life-changing event on the list. If you experienced more than one life-changing event, please call your local Social Security office at 1-800-772-1213 (TTY 1-800-325-0778). Fill in the date that the life-changing event occurred. The life-changing event date must be in the same year or an earlier year than the tax year you ask us to use to decide your income-related premium adjustment. For example, if we used your 2012 tax information to determine your income-related monthly adjustment amount for 2014, you can request that we use your 2013 tax information instead if you experienced a reduction in your income in 2013 due to a life-changing event that occurred in 2013 or an earlier year.

| Life-Changing Event | Use this category if... |
|-----------------------------------|---|
| Marriage | You entered into a legal marriage. |
| Divorce/Annulment | Your legal marriage ended, and you will not file a joint return with your spouse for the year. |
| Death of Your Spouse | Your spouse died. |
| Work Stoppage or Reduction | You or your spouse stopped working or reduced the hours that you work. |
| Loss of Income-Producing Property | You or your spouse experienced a loss of income-producing property that was not at your direction (e.g., not due to the sale or transfer of the property). This includes loss of real property in a Presidentially or Gubernatorially-declared disaster area, destruction of livestock or crops due to natural disaster or disease, or loss of property due to arson, or loss of investment property due to fraud or theft. |
| Loss of Pension Income | You or your spouse experienced a scheduled cessation, termination, or reorganization of an employer's pension plan. |
| Employer Settlement Payment | You or your spouse receive a settlement from an employer or former employer because of the employer's bankruptcy or reorganization. |

INSTRUCTIONS FOR COMPLETING FORM SSA-44

STEP 2

Supply information about the more recent year's modified adjusted gross income (MAGI). Note that this year must reflect a reduction in your income due to the life-changing event you listed in Step 1. A change in your tax filing status due to the life-changing event might also reduce your income-related monthly adjustment amount. Your MAGI is your adjusted gross income as used on line 37 of IRS form 1040 plus your tax-exempt interest income as used on line 8b of IRS form 1040. We used your MAGI and your tax filing status to determine your income-related monthly adjustment amount.

Tax Year

- Fill in both empty spaces in the box that says "20__". The year you choose must be more recent than the year of the tax return information we used. The letter that we sent you tells you what tax year we used.
 - Choose this year (the "premium year") - if your modified adjusted gross income is lower this year than last year. For example, if you request that we adjust your income-related premium for 2014, use your estimate of your 2014 MAGI if:
 1. Your income was not reduced until 2014; or
 2. Your income was reduced in 2013, but will be lower in 2014.
 - Choose last year (the year before the "premium year," which is the year for which you want us to adjust your IRMAA) - if your MAGI is not lower this year than last year. For example, if you request that we adjust your 2014 income-related monthly adjustment amounts and your income was reduced in 2013 by a life-changing event AND will be no lower in 2014, use your tax information for 2013.
 - Exception: If we used IRS information about your MAGI 3 years before the premium year, you may ask us to use information from 2 years before the premium year. For example, if we used your income tax return for 2011 to decide your 2014 IRMAA, you can ask us to use your 2012 information.
- If you have any questions about what year you should use, you should call SSA.

Adjusted Gross Income

- Fill in your actual or estimated adjusted gross income for the year you wrote in the "tax year" box. Adjusted gross income is the amount on line 37 of IRS form 1040. If you are providing an estimate, your estimate should be what you expect to enter on your tax return for that year.

Tax-exempt Interest Income

- Fill in your actual or estimated tax-exempt interest income for the tax year you wrote in the "tax year" box. Tax-exempt interest income is the amount reported on line 8b of IRS form 1040. If you are providing an estimate, your estimate should be what you expect to enter on your tax return for that year.

Filing Status

- Check the box in front of your actual or expected tax filing status for the year you wrote in the "tax year" box.

INSTRUCTIONS FOR COMPLETING FORM SSA-44

STEP 3

Complete this step only if you expect that your MAGI for next year will be even lower and will reduce your IRMAA below what you told us in Step 2 using the table on page 1. We will record this information and use it next year to determine your Medicare income-related monthly adjustment amounts. If you do not complete Step 3, we will use the information from Step 2 next year to determine your income-related monthly adjustment amounts, unless one of the conditions described in "Important Facts" on page 8 occurs.

Tax Year

- Fill in both empty spaces in the box that says "20 __ " with the year following the year you wrote in Step 2. For example, if you wrote "2014" in Step 2, then write "2015" in Step 3.

Adjusted Gross Income

- Fill in your estimated adjusted gross income for the year you wrote in the "tax year" box. Adjusted gross income is the amount you expect to enter on line 37 of IRS form 1040 when you file your tax return for that year.

Tax-exempt Interest Income

- Fill in your estimated tax-exempt interest income for the tax year you wrote in the "tax year" box. Tax-exempt interest income is the amount you expect to report on line 8b of IRS form 1040.

Filing Status

- Check the box in front of your expected tax filing status for the year you wrote in the "tax year" box.

STEP 4

Provide your required evidence of your MAGI and your life-changing event.

Modified Adjusted Gross Income Evidence

If you have filed your Federal income tax return for the year you wrote in Step 2, then you must provide us with your signed copy of your tax return or a transcript from IRS. If you provided an estimate in Step 2, you must show us a signed copy of your tax return when you file your Federal income tax return for that year.

Life-Changing Event Evidence

We must see original documents or certified copies of evidence that the life-changing event occurred. Required evidence is described on the next page. In some cases, we may be able to accept another type of evidence if you do not have a preferred document listed on the next page. Ask a Social Security representative to explain what documents can be accepted.

| Life-Changing Event | Evidence |
|-----------------------------------|---|
| Marriage | An original marriage certificate; or a certified copy of a public record of marriage. |
| Divorce/Annulment | A certified copy of the decree of divorce or annulment. |
| Death of Your Spouse | A certified copy of a death certificate, certified copy of the public record of death, or a certified copy of a coroner's certificate. |
| Work Stoppage or Reduction | An original signed statement from your employer; copies of pay stubs; original or certified documents that show a transfer of your business. Note: In the absence of such proof, we will accept your signed statement, under penalty of perjury, on this form, that you partially or fully stopped working or accepted a job with reduced compensation. |
| Loss of Income-Producing Property | An original copy of an insurance company adjuster's statement of loss or a letter from a State or Federal government about the uncompensated loss. If the loss was due to investment fraud (theft), we also require proof of conviction for the theft, such as a court document citing theft or fraud relating to you or your spouse's loss. |
| Loss of Pension Income | A letter or statement from your pension fund administrator that explains the reduction or termination of your benefits. |
| Employer Settlement Payment | A letter from the employer stating the settlement terms of the bankruptcy court and how it affects you or your spouse. |

STEP 5

Read the information above the signature line, and sign the form. Fill in your phone number and current mailing address. It is very important that we have this information so that we can contact you if we have any questions about your request.

Important Facts

- When we use your estimated MAGI information to make a decision about your income-related monthly adjustment amount, we will later check with the IRS to verify your report.
- If you provide an estimate of your MAGI rather than a copy of your Federal tax return, we will ask you to provide a copy of your tax return when you file your taxes.
- If your estimate of your MAGI changes, or you amend your tax return for that reason, you will need to contact us to update our records. If you do not contact us, we may have to make corrections later including retroactive assessments or refunds.
- We will use your estimate provided in Step 2 to make a decision about the amount of your income-related monthly adjustment amounts the following year until:
 - IRS sends us your tax return information for the year used in Step 2; or
 - You provide a signed copy of your filed Federal income tax return or amended Federal income tax return with a different amount; or
 - You provide an updated estimate.
- If we used information from IRS about a tax year when your filing status was Married filing separately, but you lived apart from your spouse at all times during that year, you should contact us at 1-800-772-1213 (TTY 1-800-325-0778) to explain that you lived apart from your spouse. Do not use this form to report this change.

Privacy Act Statement Collection and Use of Personal Information

Sections 1839(i) and 1860D-13 of the Social Security Act, as amended, allow us to collect this information. We will use the information you provide to determine if you qualify for a reduction in your monthly Medicare Part B or prescription drug coverage income-related monthly adjustment amount (IRMAA).

Furnishing us this information is voluntary. However, failing to provide us with all or part of the information may prevent us from considering a reduction in your IRMAA.

We rarely use the information you supply for any purpose other than what we state above, however, we may use the information for the administration of our programs including sharing information:

1. To comply with Federal laws requiring the release of information from our records (e.g., to the Government Accountability Office and Department of Veterans Affairs); and,
2. To facilitate statistical research, audit, or investigative activities necessary to assure the integrity and improvement of our programs (e.g., to the Bureau of the Census and to private entities under contract with us).

A complete list of when we may share your information with others, called routine uses, is available in our Privacy Act System of Records Notice 60-0321, entitled, Medicare Database File. Additional information about this and other system of records notices and our programs are available from our Internet website at www.socialsecurity.gov or at your local Social Security office.

We may share the information you provide to other health agencies through computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. We use the information from these programs to establish or verify a person's eligibility for federally funded or administered benefit programs and for repayment of incorrect payments or delinquent debts under these programs.
