The area described contains approximately 1,849.92 acres.

In order to process the right-of-way application filed on the above described land and to maintain the status quo, the BLM is segregating the land under the authority contained in 43 CFR 2091.3–1(e), 43 CFR 2804.25(e), and a **Federal Register** notice published on April 30, 2013 (78 FR 25204), for a period of 2 years, subject to valid existing rights. It has been determined that this segregation is necessary for the orderly administration of the public land.

The segregation period will terminate and the land will automatically reopen to appropriation under the public land laws, including the mining laws, if one of the following events occurs: (1) Upon the issuance of a decision by the authorized officer granting, granting with modifications, or denying the application for a right-of-way; (2) Upon publication of a **Federal Register** notice terminating the segregation; or (3) Without further administrative action at the end of the segregation provided for in the **Federal Register** notice initiating the segregation, whichever occurs first.

Any segregation made under this authority would be effective for up to 2 years, and may be extended by the BLM Arizona State Director for an additional 2 years through the issuance of a **Federal Register** notice explaining the reasons for an extension. The land to be segregated is identified in the legal description provided above.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Division of Permits Management of the National Mall and Memorial Parks issues permits for public gatherings (special events and demonstrations) held on NPS property within the National Capital Region. Regulations at 36 CFR 7.96(g) govern permits for public gatherings and implement statutory mandates to provide for resource protection and public enjoyment. These regulations reflect the special demands on many of the urban National Capital Region parks as sites for demonstrations and special events. A special event is any presentation, program, or display that is recreational, entertaining, or celebratory

in nature; e.g., sports events, pageants, celebrations, historical reenactments, regattas, entertainments, exhibitions, parades, fairs, festivals and similar events. The term “demonstration” includes demonstrations, picketing, speechmaking, marching, holding vigils or religious services and all other like forms of conduct that involve the communication or expression of views or grievances.

Those who want to hold a special event or demonstration must complete an Application for a Permit to Conduct a Demonstration or Special Event in Park Areas and a Waiver of Numerical Limitations on Demonstrations for White House Sidewalk and/or Lafayette Park. The current application is available online at <http://www.nps.gov/nama/planyourvisit/permits.htm>. We collect information on:

- Sponsor (name, address, telephone and fax numbers, email address, Web site address).
- Type of permit requested.
- Logistics (dates/times, location, purpose, plans, and equipment for proposed activity).

- Potential civil disobedience and traffic control issues.
 - Circumstances that may warrant park rangers being assigned to the event.
- Depending on the size and complexity of the activity we may require that applicants submit supporting documents, including, but not limited to: site plan, sign plan, risk management plan, evidence of liability insurance, portable toilet contract, W-9 form, and electronic funds transfer form.
