Questions?

Some Frequently Asked Questions are answered on the back of this pamphlet. If you still have questions after reviewing these, please call your field representative.

Frequently Asked Questions

1. What should I do if I forget my User ID or Password?

Call your field representative.

2. How detailed should my descriptions be?

For Food and Drinks Away from Home, briefly describe the meal (e.g. Coffee, Sandwich and Chips. Dinner at Italian Restaurant). For all other expenses, briefly describe the individual item.

3. How can I delete or make changes to an expense that I've saved?

Go to the Home Screen and tap on the "Edit" button next to the item.

4. What should I do when I use coupons, discount cards, or loyalty cards?

Enter the amount you paid, after any discounts.

5. How should I record multiple quantities?

If the items are identical, you can combine them in the same entry and enter the total cost of all the items.

6. How should I record pre-payments such as a subway fare card?

Record the expense when you pay for it, not when you use it.

7. How should I record credit card purchases?

Record the individual expense on the day that you use your credit card to pay for something, not on the day you pay your entire credit card bill.

8. Can I just give you receipts instead of entering the expense?

If you have a receipt with 5 or more items, you may give the receipt (or a copy of it) to your field representative instead of entering the individual items.

9. What about gift certificates or gift cards?

If you buy a gift certificate to give to someone, enter it as a regular expense. If you buy something using a gift card, enter the full amount that you paid, including all payment methods.

10. What do I do about returns and exchanges?

If an item is bought and returned during the diary period, it can be selected on the Home Screen and deleted on the Edit Screen. If it was bought outside the period and returned during the period, do not make any entry. If an item is exchanged during the period, select the item on the Home Screen and make the necessary changes on the Edit Screen.

11. Should I record subsidized/reimbursed expenses?

Only record any extra amount that you or someone in your household paid. Do not record any amount that someone not in your household has or will pay for.
