Focus Group for TFP Tax Forms & Publication Landing Page and Product Page

PURPOSE:

The Tax Forms and Publications (TF&P) Office of the Internal Revenue Service (IRS), Wage and Investment division, creates tax forms, instructions, and related publications to enable taxpayers to understand and fulfill their filing and reporting obligations under the tax laws of the United States. This information is posted on the Internal Revenue Service website, IRS.gov to assist with the demand for timely, accurate service, and reducing taxpayer burden. TFP has specific responsibility for certain sections of the IRS.gov site, and works with TF&P's parent organization, Media & Publications (M&P), and the Public Portal Branch to maintain the Forms and Publications section of IRS.gov

In order to address the increasing demand for electronic products and services, TF&P seeks reaction and suggestions for improvement from individual and business taxpayers, tax professionals, and other users of IRS.gov. TF&P would like to use focus groups to determine the usability of content on the Forms and Publication pages and Product Page, and receive specific suggestions for improvements to specific pages. TF&P would like to use these suggestions to improve the web usability, content and services it provides.
