Overview

Hello, I'm [MODERATOR'S NAME] from Pacific Consulting Group. I will moderate our discussion today. The topic we'll be discussing is your experience with the IRS office you visited recently and your feelings about the service you received. The overall goal of the research is to provide information that will help the IRS provide better service to customers like you. Specifically, we are working with the IRS to make changes to their offices. Your input is very important for establishing the areas of the process that need improvement. This is your opportunity to have input and to tell the IRS what your experiences have been and to make recommendations for change.

First, I would like to thank all of you for calling in today. Our discussion will take about one hour. We would like to know your real attitudes and feelings, so please be as open and frank with us as you can. We would like for you to think about your opinions of the IRS with regard to your interactions with them and not your opinions regarding tax laws specifically. We are recording this session, and we have some IRS personnel listening in with us, but please keep in mind that our focus here is on your experiences and opinions, not on your individual identities.

Introductions

[Moderator: Gather responses in a roundtable fashion]

To get started, let's introduce ourselves. Please tell us your first name and the IRS office that you visited

Experience at Local IRS Office (Reason for Visit, First Time vs. Multiple Visits, Issue Resolution)

First, I'd like to ask each of you some questions about your visit to the local IRS office.

[Moderator: Roundtable]

- Which local IRS office did you visit most recently?
- What was your main reason for visiting the IRS office?
- Was this the first time you visited an IRS office or have you visited an IRS office before?
 - *[If not first visit]* How many times have you visited an IRS office within the past 2 years?
- Did the IRS representative resolve your issue or provide you with the assistance you needed to resolve your issue?
- *[If not]* Did the assistor need additional help from another IRS employee?
- Did you have to contact the IRS office again to resolve your issue?
- What could have been done to resolve your issue more quickly?

[Moderator: Open Discussion]

Now, I'd like to open this up to the group.

- For those of you who have visited the office frequently, can you please tell me why you've gone more than once?
 - Probes: follow up for same issue, multiple issues, preferred method of service, unaware of other services
- What could have been done to minimize the number of visits to resolve your issue?

IRS Services

[Moderator: Group discussion] Next, I'd like to talk about other ways to receive service from the IRS besides going to local IRS offices. This next set of questions is open to the group.

- What prompted you to come for service at the IRS office instead of using a different IRS service such as the IRS website, IRS toll-free phone line, mail or email?
- Before today, have any of you called the IRS's toll free phone line to get assistance with an issue?
- Would you call the IRS's toll free phone line again to get assistance again in the future?
 - If not please explain why?
- What could IRS do to improve the IRS toll-free phone line to encourage you to call IRS instead of going into an IRS office?
- Before today, have any of you emailed IRS to get assistance with an issue?
- Would you email IRS to get assistance again in the future?
 - If not, please explain why?
- What could IRS do to improve the email service to encourage you to email IRS instead of going into an IRS office?
- Before today, have any of you mailed IRS a letter to get assistance with an issue?
- Would you mail IRS a letter again to get assistance again in the future?
 - If not, please explain why?
- What could IRS do to improve the IRS mail service to encourage you to mail a letter to the IRS to resolve your issue instead of going into an IRS office?

Before we talk about IRS.gov, I'd like to know how frequently each of you uses computers or the Internet.

[Moderator: Roundtable]

- Do you have access to the Internet?
- How frequently do you use the Internet?
- What is your comfort level with using computers?

- Before today, have you visited the IRS website at www.irs.gov to get assistance with an issue?
- Would you use the IRS website (www.irs.gov) to get assistance again in the future?
 - If not please explain why?
- What could IRS do to improve the IRS website to encourage you to visit the website to resolve your issue instead of going into an IRS office?

TAC Office Likes and Dislikes

The last topic before we wrap up is to ask you what you like most and least about the IRS office that you visited most recently. [Moderator: Open Discussion]

- What do you like most about the IRS office you visited?
 - Probe: TAC staff, issue resolution, office location, building condition, wait time, privacy, security/screening, hours of operation, etc.
- What do you like least about the IRS office you visited?
 - Probe: wait time, privacy, security/screening, hours of operation, office location, building condition, issue resolution, TAC staff, etc.
- Based on your response to the last question, what could the IRS do to improve your experience at the IRS offices?

Overall Improvement

- The last question I have is what additional suggestions do you have for the IRS regarding how they can serve you better?

Wrap Up

- Those are all the questions that I have for this session. I want to thank you and the IRS wants to thank you, for participating in this discussion. PCG will be sending a \$50 token of our appreciation in the mail within two weeks.
