General Instructions

What's New

Future developments. The IRS has created a page on IRS.gov for information about Form 1128 and its instructions at www.irs.gov/form1128. Information about future developments affecting Form 1128 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

File Form 1128 to request a change in tax year. Partnerships, S corporations, personal service corporations (PSCs), or trusts may be required to file the form to adopt or retain a certain tax year.

Who Must File

Generally, all taxpayers must file Form 1128 to adopt, change, or retain a tax year. However, see *Exceptions* below.

The common parent of a consolidated group that files a consolidated return files one Form 1128 for the consolidated group. In addition, the common parent corporation must (a) indicate that the Form 1128 is for the common parent corporation and all its subsidiaries and (b) answer all relevant questions on the application for each member of the consolidated group.

If a consolidated group filing a consolidated return wants to change its tax year by using Rev. Proc. 2006-45, 2006-45 I.R.B. 851 at www.irs.gov/irb/2006-45_IRB/index.html (or its successor), every member of the group must meet the revenue procedure requirements.

If a controlled foreign corporation (CFC) or 10/50 corporation (noncontrolled section 902 corporation) does not have a U.S. trade or business, then the CFC's controlling domestic shareholder(s) must file Form 1128 on behalf of such foreign corporation to change its tax

year (except as provided above with respect to a controlling domestic shareholder that is a member of a consolidated group). See Regulations section 1.964-1(c)(5) for the definition of controlling domestic shareholders of a CFC or 10/50 corporation.

If Form 1128 is filed on behalf of a CFC or 10/50 corporation, each controlling domestic shareholder must attach to its tax return a copy of the form and all other domestic shareholders must be provided a written notice of the election. See Regulations section 1.964-1(c)(3) for details.

Exceptions

Do not file Form 1128 in the following circumstances.

Corporations

- A corporation adopting its first tax year.
- A corporation required to change its tax year to file a consolidated return with its new common parent (see Regulations sections 1.442-1(c) and 1.1502-76(a)).
- A foreign sales corporation (FSC) or an interest charge domestic international sales corporation (IC-DISC) changing to the tax year of the U.S. shareholder with the highest percentage of voting power (see section 441(h)). Also see Temporary Regulations section 1.921-1T(b)(4). However, a FSC or IC-DISC must file Form 1128 to change its tax year concurrently, if a tax year change has been made by the U.S. shareholder.

Partnerships, S Corporations, and Personal Service Corporations

- A newly formed partnership adopting a required tax year or a 52-53 week tax year with reference to such required tax year.
- A partnership, S corporation, or PSC terminating its section 444 election (see Temporary Regulations section 1.444-1T(a)(5)).
- A newly formed partnership, an electing S corporation, or a newly formed PSC that elects under section 444 a tax year other than the required

tax year by filing Form 8716, Election To Have a Tax Year Other Than a Required Tax Year.

- A corporation electing to be treated as an S corporation by filing Form 2553, Election by a Small Business Corporation, and requesting to change or retain its tax year.

Individuals

Newly married individuals changing to the tax year of the other spouse in order to file a joint return (Regulations section 1.442-1(d) must be followed).

Exempt Organizations

An organization exempt under section 501(a) does not file Form 1128 unless the organization has changed its tax year at any time within a 10-calendar-year period, and the organization has had an annual filing requirement during that 10-year period (see Rev. Proc. 85-58, 1985-2 C.B. 740). This exception does not apply to organizations exempt from tax under section 521, 526, 527, or 528; organizations described in section 401(a); and organizations involved in a group change in tax year for all its subordinate organizations.

Trusts

- A trust (other than a tax-exempt trust, charitable trust, or a grantor trust under Rev. Rul. 90-55, 1990-2 C.B. 161) that adopts the calendar year as required by section 644.
- Certain revocable trusts electing to be treated as part of an estate.
- An employee plan or trust filing Form 5308, Request for Change in Plan/Trust Year, to change its plan or trust year.

When To File

Tax Year Adoption, Change, or Retention

- To request a ruling to adopt, change, or retain a tax year, file Form 1128 by the due date (not including extensions) of the federal income tax return for the first effective year. Do not file earlier than the day following the end of the first effective year. In

the case of a change in tax year, the first effective year is the short period required to effect the change.

- To request automatic approval to change a tax year under Rev. Proc. 2006-45 (Form 1128, Part II, Section A) or Rev. Proc. 2006-46, 2006-45 I.R.B. 859 at www.irs.gov/irb/2006-45_IRB/index.html (Form 1128, Part II, Section B), file by the due date of the return (including extensions) for the short period required to effect the change. A Form 1128 filed by a controlling domestic shareholder (or its common parent) on behalf of a CFC or 10/50 corporation is due no later than the due date (including extensions) of that shareholder's (or its common parent's) income tax return for its tax year with or within which ends the first effective year of the CFC or 10/50 corporation.
- For an individual filing to change to a calendar year under Rev. Proc. 2003-62, 2003-32 I.R.B. 299 at www.irs.gov/irb/2003-32_IRB/index.html (Form 1128, Part II, Section C), Form 1128 must be filed on or before the due date (including extensions) for filing the federal income tax return for the short period required to effect the change.
- To change a tax year under Rev. Proc. 85-58 (Form 1128, Part II, Section D), file by the 15th day of the 5th calendar month after the end of the short period.

Late Applications

Generally, an application filed after the appropriate due date stated above is considered late.

However, applications filed within 90 days after the due date may be considered as timely filed under Regulations section 301.9100-1 when the applicant establishes that:

1. The taxpayer acted reasonably and in good faith and
2. Granting relief will not prejudice the interests of the government.

Applications that are filed more than 90 days after the due date are presumed to jeopardize the interests of the Government, and will be approved only in unusual and compelling circumstances.

Under either circumstance, an extension request must be filed under Procedure and Administration Regulations section 301.9100-3 and is a ruling request under Rev. Proc. 2011-7, 2011-1 I.R.B. 233 at www.irs.gov/irb/2011-01_IRB/index.html and is subject to public inspection under section 6110. See section 7 of Rev. Proc. 2011-1, 2011-1 I.R.B. 1 at

www.irs.gov/irb/2011-01_IRB/index.html (updated annually) for information on requesting a ruling.

Note. An extension request under Rev. Proc. 2011-1 (or its successor) requires payment of a user fee.

Early Applications

Generally, an application to adopt or change a tax year will not be considered if it is submitted before the end of the short period.

Where To File

Part II—Automatic Approval Request

If Part II (automatic approval request) applies to the applicant, file Form 1128 with the Internal Revenue Service Center, Attention: Entity Control, where the applicant's income tax return is filed. The applicant also must attach a copy of Form 1128 to the federal income tax return filed for the short period required to effect the change.

CFCs and 10/50 corporations. If the form is filed on behalf of a CFC or 10/50 corporation, the controlling domestic shareholder who retains the jointly executed consent described in Regulations section 1.964-1(c)(3)(ii) must file Form 1128 with its tax return for its tax year with or within which ends the first effective year of the CFC or the 10/50 corporation. The other controlling domestic shareholder(s) must attach a copy of the form to its income tax return for its tax year with or within which ends the tax year of the CFC or 10/50 corporation.

Note. If a corporation is required to file Form 1128 with its tax return and is a member of an affiliated group of corporations filing a consolidated return, the common parent must file the Form 1128 with the consolidated return.

Applications prior to an election to become an S corporation. If a corporation is requesting to change its tax year prior to making an election to become an S corporation and the requested tax year is a permitted tax year for S corporations (for example, a calendar tax year), file Form 1128 as an attachment to Form 2553 to ensure that the S corporation is permitted the tax year requested on Form 2553. See Form 1128, Part II, line 2. Do not file Form 1128 with the above address for automatic approval requests. For information on where to file Form 2553, see the Instructions for Form 2553.

Do not file a request for automatic approval with either address below. Doing so will result in a significant delay in the processing of your request.

Part III—Ruling Request

If Part III (ruling request) applies to the applicant, file Form 1128 and the appropriate user fee with the IRS National Office. Mail Form 1128 to:

Internal Revenue Service

The applicant will receive notification of its approval or denial. If no communication is received from the IRS regarding the application within 90 days, contact the Control Clerk.

Exempt organizations requesting a ruling should send Form 1128 and the application user fee to:

Internal Revenue Service

Covington, KY 41012-0192

You can inquire about the status of an application for exempt organizations by calling 1-877-829-5500.

Who Must Sign

Except as discussed below (regarding automatic approval requests filed on behalf of a CFC or 10/50 corporation), Form 1128 must be signed by the filer as discussed below. A valid signature by the individual or an officer of the organization is required on Form 1128. If the form does not have a valid signature, it will not be considered.

Individuals

If this application is for a husband and wife, enter both names on the line "Name of filer." Both husband and wife must sign the application on the line "Signature and date."

Partnerships

Show the partnership name, followed by the signature of a general partner

on behalf of a state law partnership, or a member-manager on behalf of a limited liability company.

Estates

Show the name of the estate and the signature and title of the fiduciary or other person legally authorized to sign.

Trusts

Show the name of the trust and the signature and title of the fiduciary or other person legally authorized to sign.

Tax-Exempt Organizations

Show the name of the organization and the signature of a principal officer or other person authorized to sign, followed by his or her title.

CFC or 10/50 Corporation

For a CFC or 10/50 corporation with a U.S. trade or business and filing Form 1128 as the applicant, follow the same rules as other corporations (see *All Other Filers* below). If the form is being filed on behalf of a CFC or 10/50 corporation by its controlling domestic shareholder(s), follow the instructions below for ruling requests and automatic approval requests.

Ruling request. A ruling request application that is filed on behalf of a CFC or 10/50 corporation must be signed by an authorized officer of the designated (controlling domestic) shareholder that retains the jointly executed consent as provided for in Regulations section 1.964-1(c)(3)(ii). A schedule listing the name(s) and identifying number(s) of the controlling domestic shareholder(s) must be attached to the application. Also, the controlling domestic shareholder(s) must satisfy the requirements of Regulations section 1.964-1(c)(3). If the designated (controlling domestic) shareholder is a member of a consolidated group, then an authorized officer of the common parent must sign. Do not sign the copy of Form 1128 filed with the income tax return.

Automatic approval request. An automatic ruling request application that is filed on behalf of a CFC or 10/50 corporation does not have to be signed. However, the controlling domestic shareholder completing the form must satisfy the requirements of Regulations section 1.964-1(c)(3) and retain the jointly executed consent described in Regulations section 1.964-1(c)(3)(ii).

All Other Filers

The application must show the name of the company and the signature of

the president, vice president, treasurer, assistant treasurer, or chief accounting officer (such as tax officer) authorized to sign, and their official title. Receivers, trustees, or assignees must sign any application they are required to file. For a consolidated group filing a consolidated return with its common parent, the form should be signed by an authorized officer of the common parent corporation.

Preparer (Other Than Filer/Applicant)

If the individual preparing Form 1128 is not the filer or applicant, the preparer also must sign. However, in the case of an automatic approval request, the Form 1128 attached to the income tax return does not need to be signed.

Specific Instructions

Part I—General Information

All applicants must complete Part I. Attachments to Form 1128 must show the applicant's name, identifying number, and address. Also indicate that the statement is an attachment to Form 1128.

Name

If the application is filed for a husband and wife who file a joint income tax return, the names of both should appear in the heading.

In general, the filer of the form is the applicant. However, for members of a consolidated group of corporations and certain foreign corporations, Form 1128 may be filed on behalf of the applicant. For a consolidated group of corporations, enter the name and employer identification number (EIN) of the parent corporation on the first line as the filer and enter the name(s) and EIN(s) of the member corporations applying for a change in accounting period on the fourth line. For CFCs and 10/50 corporations, enter the name and EIN of the controlling domestic shareholder(s) (common parent, if applicable) on the first line and the name and EIN, if any, of the foreign corporation on the fourth line. If there is more than one filer or applicant, attach a statement listing each filer's or applicant's name and EIN.

Identifying Number

Individuals enter their social security number (SSN). If the application is for a husband and wife who file a joint return, enter both SSNs. However, if one or both are engaged in a trade or business, enter the EIN instead of the SSNs. All other applicants enter their EIN.

Except as discussed below (regarding foreign corporations), if the applicant does not have an EIN or SSN, it must apply for one. An EIN may be applied for:

- Online—Click on *Employer ID Numbers* link at www.irs.gov/businesses. The EIN is issued immediately once the application information is validated.
- By telephone at 1-800-829-4933.
- By mailing or faxing Form SS-4, Application for Employer Identification Number.

A limited liability company must determine which type of federal tax entity it will be (that is, partnership, corporation, or disregarded entity) before applying for an EIN (see Form 8832, Entity Classification Election, for details).

Note. Applicants who are not located within the United States or U.S. possessions cannot use the online application to obtain an EIN.

For more information on applying for an EIN, see the instructions for Form SS-4.

An SSN must be applied for on Form SS-5, Application for a Social Security Card. Form SS-5 can be obtained at SSA offices or by calling the SSA at 1-800-772-1213. It is also available from the SSA website at www.socialsecurity.gov.

If the applicant has not received its EIN or SSN by the time the application is due, write "Applied for" in the space for the identifying number.

Foreign corporations. If the applicant is a foreign corporation that is not otherwise required to have or obtain an EIN, enter "Not applicable" in the space provided for the identifying number.

Address

Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and the filer has a P.O. box, show the box number instead.

If the filer receives its mail in care of a third party (such as an accountant or attorney), enter on the street address line "C/O" followed by

the third party's name and street address or P.O. box.

Person To Contact

The person to contact must be the person authorized to sign the Form 1128, or the applicant's authorized representative. If the person to contact is not the filer or the applicant, attach Form 2848, Power of Attorney and Declaration of Representative.

Line 1. Check all applicable boxes to indicate the type of entity filing this application. For example, an entity that is a domestic corporation may also be a regulated investment company (RIC). That entity would check both the "Domestic corporation" box and the "Other" box, and write, "RIC under sec. 851" on the dotted line.

Lines 2a and 2b. If the requested year is a 52-53-week tax year, describe the year (for example, last Saturday in December or Saturday nearest to December 31). A 52-53-week tax year must end on the date a specified day of the week last occurs in a particular month or on the date that day of the week occurs nearest to the last day of a particular calendar month.

A newly formed partnership or PSC that wants to adopt a tax year other than its required tax year must go to Part III after completing Part I.

Line 2c. The required short period return must begin on the day following the close of the old tax year and end on the day before the first day of the new tax year. An applicant's first tax year generally starts when business operations begin.

A corporation's tax year begins at the earliest date it first:

- Has shareholders,
- Has assets, or
- Begins doing business.

The initial year ends on the day before the first day of the new tax year.

Part II—Automatic Approval Request

Note. All references to the Revenue Procedures listed are to that Revenue Procedure or its successor.

Part II is completed by applicants requesting automatic approval of a change in tax year under:

- Rev. Proc. 2006-45 (corporations) as clarified and modified by Rev. Proc. 2007-64, 2007-42 I.R.B. 818 at www.irs.gov/irb/2007-42_IRB/index.html,

- Rev. Proc. 2006-46 (pass-through entities),
- Rev. Proc. 2003-62 (individuals),
- Rev. Proc. 76-10, 1976-1 C.B. 548 as modified by Rev. Proc. 79-3, 1979-1 C.B. 483, and Rev. Proc. 85-58 (exempt organizations), and
- Rev. Proc. 85-15, 1985-1 C.B. 516 (all filers), to correct the adoption of an improper tax year to a calendar or fiscal year by (1) filing an amended return on a calendar year basis and attach Form 1128, or (2) file a Form 1128 under the procedures of either Rev. Proc. 2006-45, 2006-46, 2002-39, 2002-1 C.B. 1046 or its successor.

Note. Applicants requesting an automatic approval must complete Parts I and II only.

A user fee is not required if requesting an automatic approval under any of the sections of Part II listed below.

Complete Part II if the applicant can use the automatic approval rules under one of the sections listed below and the application is filed on time.

Section of Part II of Form 1128 to Complete

If the applicant is:	Complete only
A corporation (other than an S corporation or a PSC)	Section A
A partnership, S corporation, PSC, or a trust	Section B
An individual	Section C
A tax-exempt organization	Section D

If the applicant does not qualify for automatic approval, a ruling must be requested. See Part III for more information.

If the Service Center denies approval because Form 1128 was not filed on time, the applicant can request relief under Regulations section 301.9100-3, discussed earlier under *Late Applications*, by completing Part III, as discussed later, and sending Form 1128 to the IRS National Office for consideration.

Section A—Corporations (Other than S Corporations or Personal Service Corporations)

Rev. Proc. 2006-45 provides exclusive procedures for certain corporations to obtain automatic approval to change their annual accounting period under section 442 and Regulations section 1.442-1(b). A

corporation complying with all the applicable provisions of this revenue procedure will be deemed to have established a business purpose and obtained the approval of the IRS to change its accounting period. See Rev. Proc. 2006-45 for more information.

Line 1. A corporation is precluded from using the automatic approval rules under section 4 of Rev. Proc. 2006-45 if it:

1. Has changed its annual accounting period at any time within the most recent 48-month period ending with the last month of the requested tax year. For exceptions, see section 4.02(1) of Rev. Proc. 2006-45.
2. Has an interest in a pass-through entity as of the end of the short period. For exceptions, see section 4.02(2) of Rev. Proc. 2006-45.
3. Is a shareholder of a FSC or IC-DISC, as of the end of the short period. For exceptions, see section 4.02(3) of Rev. Proc. 2006-45.
4. Is a FSC or an IC-DISC.
5. Is an S corporation.
6. Attempts to make an S corporation election for the tax year immediately following the short period, unless the change is to a permitted S corporation tax year.
7. Is a PSC.
8. Is a CFC. For exceptions, see section 4.02(8) of Rev. Proc. 2006-45.
9. Is a tax-exempt organization, other than an organization exempt from tax under section 521, 526, 527, or 528.
10. Is a cooperative association (within the meaning of section 1381(a)) with a loss in the short period required to effect the change of annual accounting period, unless the patrons of the cooperative association are substantially the same in the year before the change of annual accounting period, in the short period required to effect the change, and in the year following the change.
11. Is a corporation leaving a consolidated group. The corporation is precluded from using the automatic approval request procedures during the consolidated group's tax year in which the corporation ceased to be a member of the consolidated group. See Rev. Proc. 2007-64 for details.
12. Has a required tax year (for example, a real estate investment trust), unless the corporation is changing to its required tax year and is not described in items (1) through (11), above.

Note. If the corporation is precluded from using the automatic approval rules because of items (2) or (3), listed above, it can nevertheless automatically change to a natural business year that meets the 25-percent gross receipts test described in section 5.04 of Rev. Proc. 2006-45.

If the answer to question 1 is “Yes,” sign Form 1128 and see *Part II—Automatic Approval Request* earlier under *Where To File*. Do not complete Part III. If the corporation is requesting to change to a natural business year that satisfies the 25-percent gross receipts test, also include its gross receipts for the most recent 47 months (or for any predecessor).

If the answer to question 1 is “Yes” because the applicant is a CFC that wants to make a one-month deferral election under section 898(c)(2), see Rev. Proc. 2007-64 which modifies the terms and conditions for this election provided in Rev. Proc. 2006-45. If a CFC wants to revoke its one-month deferral election under section 898(c)(2) and change its tax year to the majority U.S. shareholder year (as defined in section 898(c)(3)), attach a statement providing the names, addresses, and identifying numbers for each U.S. shareholder of the foreign corporation.

If the answer to question 1 is “No,” go to Part III after completing Section A.

Line 3. If a corporation’s interest in a pass-through entity, CFC, FSC, or IC-DISC (related entity) is disregarded under section 4.02(2) or 4.02(3) of Rev. Proc. 2006-45 because the related entity is required to change its tax year to the corporation’s new tax year (or, in the case of a CFC, to a tax year beginning one month earlier than the corporation’s new tax year), the related entity must change its tax year concurrently with the corporation’s change in tax year, either under Rev. Proc. 2006-45, 2006-46, or 2002-39. This related party change is required notwithstanding the testing date provisions in section 706(b)(4)(A)(ii), section 898(c)(3)(B), Temporary Regulations section 1.921-1T(b)(6), and the special provision in section 706(b)(4)(B).

Section B—Partnerships, S Corporations, Personal Service Corporations, and Trusts

Rev. Proc. 2006-46 provides exclusive procedures for a partnership, S corporation, PSC, or trust within its scope to adopt, change, or retain its annual accounting period under section 442 and Regulations section 1.442-1(b).

The automatic approval request procedures apply to trusts, with the exception of trusts exempt from taxation under section 501(a), charitable trusts described in section 4947(a)(1), and grantor trusts described in Rev. Rul. 90-55, changing to a calendar year.

Rev. Proc. 2006-46 only applies to trusts that are using an incorrect tax year and want to change to the required calendar tax year.

Line 4. A partnership, S corporation, PSC, or trust is precluded from using the automatic approval rules under section 4 of Rev. Proc. 2006-46 if any of the following apply:

1. The entity is under examination, unless it obtains consent of the appropriate director as provided in section 7.03(1) of Rev. Proc. 2006-46.

2. The entity is before an appeals office with respect to any income tax issue and its annual accounting period is an issue under consideration by the appeals office.

3. The entity is before a Federal court with respect to any income tax issue and its annual accounting period is an issue under consideration by the Federal court.

4. On the date the partnership or S corporation would otherwise file its application, the partnership’s or S corporation’s annual accounting period is an issue under consideration in the examination of a partner’s or shareholders’ federal income tax return or an issue under consideration by an area office or by a Federal court with respect to a partner’s or shareholder’s federal income tax return.

Note. If any of the above circumstances apply, you may still be eligible under the automatic approval request procedures if you comply with the procedures explained following item 5 below. See section 7.03 of Rev. Proc. 2006-46 for more information.

5. The entity is requesting a change to, or retention of, a natural business year as described in section 4.01(2) of Rev. Proc. 2006-46 if the

entity has changed its annual accounting period at any time within the most recent 48-month period ending with the last month of the requested tax year. For this purpose, the following changes are not considered prior changes in annual accounting period: (a) a change to a required tax year or ownership tax year; (b) a change from a 52-53 week tax year to a non-52-53 week tax year that ends with reference to the same calendar month, and vice versa; or (c) a change in accounting period by an S corporation or PSC, in order to comply with the common tax year requirements of Regulations sections 1.1502-75(d)(3)(v) and 1.1502-76(a).

If the answer to question 4 is “Yes,” and any of the following situations apply, the applicable additional procedures described below must be followed.

- The applicant is under examination and has obtained the consent of the appropriate director to the change or retention of the applicant’s annual accounting period. The applicant must attach to the application a statement from the director consenting to the change or retention. The applicant must also provide a copy of the application to the director at the same time it files the application with the Service Center. The application must contain the name(s) and telephone number(s) of the examination agent(s).
- The applicant is before an appeals (area) office and the applicant’s annual accounting period is not an issue under consideration by the appeals (area) office. The applicant must attach to the application a separate statement signed by the applicant certifying that, to the best of the applicant’s knowledge, the applicant’s annual accounting period is not an issue under consideration by the appeals (area) office. The applicant must also provide a copy of the application to the appeals officer at the same time it files the application with the Service Center. The application must contain the name and telephone number of the appeals officer.
- The applicant is before a Federal court and the applicant’s annual accounting period is not an issue under consideration by the Federal court. The applicant must attach to the application a separate statement signed by the applicant certifying that, to the best of the applicant’s knowledge, the applicant’s annual accounting period is not an issue under consideration by the Federal court. The applicant must also

provide a copy of the application to the government counsel at the same time it files the application with the Service Center. The application must contain the name and telephone number of the government counsel.

If the answer to question 4 is “No” because the applicant (or a partner or shareholder) is under examination and has not obtained the appropriate director’s consent to the change or retention of the applicant’s annual accounting period or the applicant is before an appeals office or Federal court and the applicant’s annual accounting period is an issue under consideration by the appeals office or Federal court, do not complete Part III.

If the answer to question 4 is “No” solely because of a prior change as described in item (5) above, go to Part III after completing Section B.

If the answer to question 4 is “Yes” (and the answer to question 5, 6, or 7 is also “Yes”), sign Form 1128 and see *Part II—Automatic Approval Request* under *Where To File*, above. Do not complete Part III. If the answer to question 4 is “Yes” (and the answer to question 5, 6, or 7 is “No”), go to Part III after completing Section B.

Line 6. A partnership, S corporation, electing S corporation, or PSC establishes a “natural business year” under Rev. Proc. 2006-46 by satisfying the following “25-percent gross receipts test.” The applicant must supply its gross receipts for the most recent 47 months (or for any predecessor) to compute the 25 percent gross receipts test.

1. Prior 3 years gross receipts:

a. Gross receipts from sales and services for the most recent 12-month period that ends with the last month of the requested annual accounting period are totaled and then divided into the amount of gross receipts from sales and services for the last 2 months of this 12-month period.

b. The same computation as in a, above is made for the two preceding 12-month periods ending with the last month of the requested annual accounting period.

2. Natural business year:

a. Except as provided in b, below, if each of the three results described in 1 above equals or exceeds 25 percent, then the requested annual accounting period is deemed to be the taxpayer’s natural business year.

b. The taxpayer must determine whether any annual accounting period other than the requested annual accounting period also meets

the 25-percent test described in a, above. If one or more other annual accounting periods produce higher averages of the three percentages (rounded to 1/100 of a percent) described in 1 above than the requested annual accounting period, then the requested annual accounting period will not qualify as the taxpayer’s natural business year.

3. Special rules:

a. To apply the 25-percent gross receipts test for any particular year, the taxpayer must compute its gross receipts under the method of accounting used to prepare its federal income tax returns for such tax year.

b. If the taxpayer has a predecessor organization and is continuing the same business as its predecessor, the taxpayer must use the gross receipts of its predecessor for purposes of computing the 25-percent gross receipts test.

c. If the taxpayer (including any predecessor organization) does not have a 47-month period of gross receipts (36-month period for the requested tax year plus an additional 11-month period for comparing the requested tax year with other potential tax years), then it cannot establish a natural business year under this revenue procedure.

d. If the requested tax year is a 52-53-week tax year, the calendar month ending nearest to the last day of the 52-53-week tax year is treated as the last month of the requested tax year for purposes of computing the 25-percent gross receipts test.

Line 7. For an S corporation, an “ownership tax year” is the tax year other than a calendar year (if any) that, as of the first day of the first effective year, constitutes the tax year of one or more shareholders (including any shareholder that concurrently changes to such tax year) holding more than 50 percent of the corporation’s issued and outstanding shares of stock. For this purpose, a shareholder that is tax-exempt under section 501(a) is disregarded if such shareholder is not subject to tax on any income attributable to the S corporation. Tax-exempt shareholders are not disregarded, however, if the S corporation is wholly-owned by such tax-exempt entities. A shareholder in an S corporation that wants to concurrently change its tax year must follow the instructions generally applicable to taxpayers changing their tax years contained in Regulations section 1.442-1(b), Rev. Proc. 2002-39, or any other applicable

administrative procedure published by the IRS.

Line 8. Answer “Yes” if the partnership is a related entity that must concurrently change its tax year as a term and condition of the approval of the taxpayer’s request to change its tax year.

Section C—Individuals

Line 9. If the answer to question 9 is “Yes,” and the restrictions of section 4.02 of Rev. Proc. 2003-62 (or its successor) do not apply, sign Form 1128 and see *Part II—Automatic Approval Request* above under *Where To File*. Do not complete Part III. If the answer to question 9 is “No,” go to Section A of Part III.

Section D—Tax-Exempt Organizations

A tax-exempt organization can request a change to its tax year under the simplified method of either Rev. Proc. 85-58 or Rev. Proc. 76-10.

Under Rev. Proc. 85-58, an organization exempt under section 501(a) does not have to file Form 1128 unless the following conditions described in section 3.03 of Rev. Proc. 85-58 apply:

1. The organization was required to file an annual information return or Form 990-T, Exempt Organization Business Income Tax Return, at any time during the last 10 calendar years; and

2. The organization has changed its tax year at any time within the last 10 calendar years ending with the calendar year that includes the beginning of the short period resulting from the change of tax year.

An organization described in section 501(c) or (d) is exempt from tax under section 501(a) unless the exemption is denied under section 502 or 503.

Rev. Proc. 85-58 does not apply to:

- Farmers’ cooperatives exempt from federal income tax under section 521;
- Organizations described in sections 526, 527, and 528;
- Organizations described in section 401(a); and
- Organizations requesting a change in a tax year on a group basis.

A central organization should follow Rev. Proc. 76-10 to apply for a group change in tax year for all its subordinate organizations.

Rev. Proc. 76-10 does not apply to:

- Farmers’ cooperatives exempt from federal income tax under section 521,

- Certain organizations that have unrelated business taxable income defined in section 512(a), and
- Organizations that are private foundations defined in section 509(a).

Line 10. If the answer to question 10 is “Yes,” and the organization is a section 501(a) organization to which section 3.03 of Rev. Proc. 85-58 applies or a central organization to which Rev. Proc. 76-10 applies, sign Form 1128 and see *Part II—Automatic Approval Request* above under *Where To File*. Do not complete Part III. If the answer to question 10 is “Yes,” and Rev. Proc. 85-58 and 76-10 do not apply, go to Part III.

Part III—Ruling Request

Note. All references to Revenue Procedures are to that Revenue Procedure or its successor.

Part III is completed only by applicants requesting to adopt, change, or retain a tax year that cannot use the automatic procedures listed in Part II.

Also, the applicant must complete the specific section(s) in Part III that applies to that particular applicant.

Sections of Part III of Form 1128 to Complete

If the applicant is:	Complete only
A corporation (other than an S corporation, 10/50 corporation, or CFC)	Sections A and B, plus any other applicable section in Part III
An S corporation	Sections A and C
A partnership	Sections A and D
A CFC or 10/50 corporation	Sections A and E

Do not file a tax return using the requested tax year until this application is approved.

Rev. Proc. 2002-39 provides the general procedures for obtaining approval to adopt, change, or retain a tax year for taxpayers not qualifying under the automatic approval rules or if the application is late.

Section A—General Information

All applicants must complete this section to request a ruling on an adoption of, change to, or retention of a tax year.

Line 1. If the applicant is a partnership, S corporation, personal service corporation, or trust and any of the following situations apply, the applicable additional procedures described below must be followed.

- The applicant is under examination and has obtained the consent of the appropriate director to the change or retention of the applicant’s annual accounting period. The applicant must attach to the application a statement from the director consenting to the change or retention of its annual accounting period. The applicant must also provide a copy of the application to the director at the same time it files the application with the IRS National Office. The application must contain the name(s) and telephone number(s) of the examination agent(s).

- The applicant is before an appeals (area) office and the applicant’s annual accounting period is not an issue under consideration by the appeals (area) office. The applicant must attach to the application a separate statement signed by the appropriate person certifying that, to the best of that person’s knowledge, the entity’s annual accounting period is not an issue under consideration by the appeals (area) office. The applicant must also provide a copy of the application to the appeals officer at the same time it files the application with the IRS National Office. The application must contain the name and telephone number of the appeals officer.

- The applicant is before a Federal court and the applicant’s annual accounting period is not an issue under consideration by the Federal court. The applicant must attach to the application a separate statement signed by the appropriate person certifying that, to the best of that person’s knowledge, the entity’s annual accounting period is not an issue under consideration by the Federal court. The applicant must also provide a copy of the application to the government counsel at the same time it files the application with the IRS National Office. The application must contain the name and telephone number of the government counsel.

Line 4a. Attach an explanation of the legal basis supporting the requested tax year. Include all authority (statutes, regulations, etc.) supporting the requested year. The applicant is encouraged to include all relevant facts and circumstances that may establish a business purpose.

Line 4b. If the applicant requests to establish a natural business year under the annual business cycle test or seasonal business test of sections 5.03(1) and 5.03(2) of Rev. Proc. 2002-39, it must provide its gross receipts from sales or services and approximate inventory costs (where applicable) for each month in the requested short period and for each month of the three immediately preceding tax years.

If the applicant is requesting to change to a natural business year that satisfies the 25-percent gross receipts test described in section 5.03(3) of Rev. Proc. 2002-39, the applicant must supply its gross receipts for the most recent 47 months (or for any predecessor).

Line 14. Applicants filing to request an automatic approval for a change in tax year under Rev. Procs. 2006-45, 2006-46, 2003-62, 85-58, or 76-10 (Form 1128, Part II) are not required to pay a user fee when Form 1128 is filed on time.

Applicants filing to request a letter ruling on a change in tax year under Rev. Proc. 2011-1 (updated annually) and Rev. Proc. 2002-39 must pay a user fee. A request for an exempt organization letter ruling on a change in tax year under Rev. Proc. 2011-8, 2011-1 I.R.B. 237 at www.irs.gov/irb/2011-01_IRB/index.html, also requires payment of a user fee.

A separate user fee is also required for applicants filing a letter ruling request for an extension of time to file under Regulations section 301.9100-3 (including requests under Rev. Procs. 2006-45, 2006-46, and 2003-62 (Form 1128, Part II, Sections A, B, and C)).

Note. The user fees referred to in the above paragraphs are published in Rev. Proc. 2011-1 (exempt organizations, see Rev. Proc. 2011-8), or an annual update. The annual updates are published as revenue procedures in the Internal Revenue Bulletin. The Internal Revenue Bulletins can be accessed at www.irs.gov/irb. The fees for 2011 are in Internal Revenue Bulletin 2011-1.

Payment of the user fee (check or money order made payable to the Internal Revenue Service) must be attached to Form 1128 at the time the form is filed. See Rev. Proc. 2011-1 for more information.

Section B—Corporations (Other Than S Corporations and Controlled Foreign Corporations)

Corporations must complete this section and any other section in Part III that applies to that particular entity. For example, a Passive Foreign Investment Company (PFIC) completes Section B and attaches the statement required by Section H. Complete Sections B and F for a tax-exempt organization that is a corporation.

Note. In addition to excluding CFC(s) from Section B, 10/50 corporations are also excluded.

Section C—S Corporations

An S corporation must have a permitted tax year unless it has elected under section 444 to have a tax year other than the required tax year. A “permitted tax year” is:

1. A tax year that ends on December 31 or
2. Any other tax year if the corporation can establish a business purpose to the satisfaction of the IRS.

For purposes of 2, above, any deferral of income to shareholders will not be treated as a business purpose. For more information, see Rev. Proc. 2006-46.

If any shareholder is applying for a corresponding change in tax year, that shareholder must file a separate

Form 1128 to get advance approval to change its tax year.

Section D—Partnerships

A partnership must obtain advance approval from the IRS to adopt, change, or retain a tax year unless it is not required to file Form 1128, or it meets one of the automatic approval rules discussed earlier in the instructions for Part II, Section B. Also see the exceptions for partnerships under *Who Must File*, earlier.

Partners must also get separate advance approval to change their tax years.

Line 23. Enter the first date a business transaction resulted in a tax consequence, such as receiving income or incurring an expense.
