## Email to Announce Follow-up Survey

nanks for your participation in this winter's NOAA Environmental Science Training Workshop eries, (applicable workshop title inserted).	
has been a few months since the workshop and we wanted to check in with you about how you nave used content from this workshop in your education programming, program planning, and possiven your non-work life.	-
n email will be sent to you on ( <i>date</i> ) with a link to the online survey. Please, take about 15 minutes implete the survey. We will be using this information to plan future workshops that get NOAA scie to the classroom for students, teachers, as well as our other audiences.	
nally, thank you in advance for your valuable input!	
ease keep your eye open for this email!	
ncerely,	
art Merrick
