CDC SOLVE THE OUTBREAK MOBILE APPLICATION USER EXPERIENCE (UX): CONSENT FORMS

We are interested in your opinion!

We would like your feedback on the Centers for Disease Control and Prevention's (CDC) Solve the Outbreak mobile application.

We want to know what works well for you and what doesn't, so that we can further improve the design of our mobile app.

During this session, we'll

1. Ask you about your background
2. Ask you to give us feedback on the application
3. Ask you to perform a series of tasks using the application

After you finish all of the tasks, we'll also ask you for your thoughts on the design and suggestions for improvement. The whole exercise will take approximately 30 minutes to complete.

We will also be taking notes during these sessions. The information that is captured will only be used to improve the application and for evaluation, research, and training purposes. To consent to the use and release of this information, please sign below.

Thank you for your time. Your opinion is very valuable to us!
