Form approved
OMB Control No. 0920-0956
Expiration Date: March 31, 2016

Thank you for agreeing to help the Centers for Disease Control and Prevention (CDC) evaluate tobacco prevention and control digital products. Your feedback is extremely important. We anticipate that it will take approximately 25 minutes to complete these questions. All information is used for evaluation purposes only and CDC does not plan to share the data with anyone outside of CDC.

To begin the survey, please click "Next".

Public reporting burden of this collection of information is estimated to average 25 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0956).
