

Attachment J: Interview Follow-up Email

Greetings,

Thank you for participating in a telephone conversation for the assessment, *Health Department Challenges in Implementation of CDC Immunization Funding*. Your input will provide valuable information in shaping the development and roll-out of future vaccine funding initiatives for local and state health departments.

If you have any questions about this conversation, please contact us at immunization@nnphi.org. If you have any questions about the overall project, please contact Dr. Jack Nemecek at jkn6@cdc.gov. Thank you for your participation.

Regards,
