Subject: Only three days left to share your opinion on the Public Health Emergency Law Minimum Competencies

Body:

Dear Public Health Emergency Preparedness Professional OR Dear Public Health Law Attorney,

There are only three days left to participate in the Public Health Emergency Law Minimum Competencies assessment! Help us determine the minimum knowledge, skills, and abilities public health emergency planners need to ensure that the law is accounted for in emergency preparedness, response, and recovery. In order to ensure that we provide only the most accurate competency statements, we would like to invite STLT government officials, employees, and attorneys to participate in a in a short assessment. The assessment will take approximately **6 minutes** to complete. Your feedback is invaluable and will be used as we develop future trainings and educational resources.

The assessment will be open from [START DATE] until [END DATE]. We look forward to hearing from you. If you have any questions or concerns, please e-mail Gregory Sunshine at gsunshine@cdc.gov.
