PHIT Follow Up Assessment

Your input is essential to help us serve your needs. Please take a few minutes to share your thoughts about the Public Health Improvement Training: Advancing Performance in Agencies, Systems and Communities™ on April 24-25, 2014 (PHIT 2014) in Atlanta, Georgia. Your input will be used to inform the PHIT 2015 agenda.

Which type of agency are you affiliated with?

- State health department
- Tribal health department
- Local health department
- Territorial health department

Please rate how useful the information from PHIT 2014 has been in your work:

- Not useful
- Somewhat useful
- Very useful

Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspects of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Rd, NE, MS D-74, Atlanta, GA 30333; ATTN: PRA (0920-0879).

How has PHIT 2014 been useful? Please check all that apply.

- Has increased my knowledge to prepare for accreditation
