Version 1: First Skip Logic Q3 - We have not started the MAPP Process

2014 Mobilizing for Action through Planning and Partnerships (MAPP) Survey

Form Approved OMB No. 0920-0879 Exp. Date 04/30/2017

To better understand the possible outcomes your community may have experienced through the implementation of MAPP, the National Association of County and City Health Officials (NACCHO) MAPP Workgroup invites you to complete the following assessment. The findings from this assessment will be used to help shape future MAPP tools and resources and inform NACCHO trainings.

All data will be kept secure and only available to NACCHO staff conducting the analysis.

If you have any questions or concerns, please feel free to contact Katy Gore at kgore@naccho.org.

We greatly appreciate your honesty and thank you for your valuable feedback.

Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0879).
