

**Attachment F: MAPP Assessment Word Version**

Form Approved  
OMB No. 0920-0879  
Exp. Date 04/30/2017

To better understand the possible outcomes your community may have experienced through the implementation of MAPP, the National Association of County and City Health Officials (NACCHO) MAPP Workgroup invites you to complete the following assessment . The findings from this assessment will be used to help shape future MAPP tools and resources and inform NACCHO trainings.

All data will be kept secure and only available to NACCHO staff conducting the analysis.

If you have any questions or concerns, please feel free to contact Katy Gore at kgore@naccho.org.

We greatly appreciate your honesty and thank you for your valuable feedback.

**1. How would you define your MAPP community?**

- Urban
- Suburban
- Rural
- Mixed

**2. What is the population of your community?**

- <25,000
- 25,000–49,999
- 50,000–99,999
- 100,000–499,999
- 500,000–999,999
- >1,000,000

**3. How many times has your community completed MAPP ?**

- We have not started the MAPP process yet
- In process of conducting our first MAPP process
- 1
- 2
- 3 or more

- Implemented policy changes to promote positive health outcomes
- Reduced health disparities
- Reduced duplication of services
- Aligned existing resources among community organizations
- Received new grants or funding due to new partnerships, data, or priorities

**Other**

Please explain:

**12b. You stated that your community has experienced negative changes as a result of using MAPP. Please briefly describe any negative changes experienced by your community.**

**12c. Please briefly describe any possible barriers to change your community may have experienced in relation to using MAPP.**

**13. From the following list, please choose the most significant positive change within your community (check only one):**

*{This question will only appear if the participant selected that their community had experienced positive change}*

- List of all items the participant checked from Question #12 above*

**14. Has your community experienced any improvement in health outcomes as a result of using the MAPP process?**

- Yes
- No

***{Response option: yes}***

**Please provide an example.**

***{Response option: no}***

**Which of the following describes why you have not experienced any improvement in health outcomes as a result of using the MAPP process? (Check all that apply.)**

- Too early to measure

- Changing priorities
- Limited partner engagement
- Leadership change
- I don't know
- Other (please explain):

**15. Has your community experienced any improvement in determinants of health as a result of using the MAPP process?**

- Yes
- No

**{Response option: yes}**

**Please provide an example.**

**{Response option: no}**

**Which of the following describes why you have not experienced any improvement in determinants of health as a result of using the MAPP process? (Check all that apply.)**

- Too early to measure
- Changing priorities
- Limited partner engagement
- Leadership change
- I don't know
- Other (please explain):

**16. Have you incorporated health equity into your MAPP process?**

- Yes
- No

**{Response option: yes}**

**Please describe how you have incorporated health equity into your MAPP process.**

**{Response option: no}**

**What has prevented you from incorporating health equity into your MAPP process?**

**17. Have you implemented any specific policy changes to promote health as a result of your MAPP process?**

- Yes
- No

**{Response option: yes}**

**Please provide an example.**

**{Response option: no}**

**What has prevented you from implementing policy changes to promote health?**

**18. Do you agree or disagree with the following statements?**

	Completely Disagree	Disagree	Neutral	Agree	Completely Agree	Not applicable
The MAPP framework has helped our community collectively focus on health assessment.	•	•	•	•	•	•
The MAPP framework has been easily implemented within our community.	•	•	•	•	•	•

**19. What else you would like us to know about the value of using MAPP in your community?**

**20. How long have you worked on community health assessment and improvement planning?**

- <1 year
- 2–5 years
- 6–9 years
- 10+ years

**21. What percentage of your time do you spend on community health assessment and improvement planning?**

- 0–25%
- 26–50%
- 51–75%
- 76–100%

**22. May we contact you if we have any additional questions?**

- Yes
- No

**{Response option: yes}**

**Name:** free text

**Agency:** free text

**Email:** free text

**{Response option: yes and no}**

Thank you for taking the time to share your experience with MAPP. Results from this assessment will be shared with the MAPP Network.
