### **Attention MAPP Network Members**

REMINDER: MAPP Outcomes Assessment – NOW OPEN

To better understand the possible outcomes your community may have experienced through the implementation of MAPP, the National Association of County and City Health Officials (NACCHO) MAPP Workgroup invites you to complete the following survey. The findings from this survey will be used to help shape future MAPP tools and resources and inform NACCHO trainings. All data will be kept secure and only available to NACCHO staff conducting the analysis.

We depend on your feedback to continue to improve MAPP. I encourage you to take time to participate in this assessment. It contains 22 items and should take approximately 15 minutes for you to complete.

The assessment link will be open from [START DATE] until [END DATE]. We look forward to hearing from you. If you have any questions or concerns, please feel free to contact Katy Gore at [kgore@naccho.org](mailto:kgore@naccho.org).
