

1. NIH CAP Feedback Form

Form Approved
OMB No. 0925-0627
Exp. Date 4/2017

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0627). Do not return the completed form to this address.

NIH is very interested in your experience with and your feedback about NIH's Small Business Innovative Research (SBIR)/Small Business Technology Transfer (STTR) Commercialization Assistance Program (CAP). We hope the CAP was helpful in meeting your needs.

Please take approximately 15 minutes to answer all of the questions on the feedback form below as comprehensively as possible. The information is for internal use only. For any question that is not relevant to you, please indicate "Not Applicable" (N/A). You may add comments to clarify any answer or add additional information.

Thank you! Your feedback is very valuable to us and will help us improve the CAP in the future.

* 1. Please indicate the effectiveness of the CAP in each category. (1 is least, 5 is most). Some of these questions are dependent on your business model and targeted outcome, so all may not be appropriate. Indicate "Not Applicable" (N/A) where necessary.
