## Hospital Value-Based Purchasing (HVBP) Review and Corrections Request Form

Hospitals may review and request correction of their hospital's performance scores on each condition, domain, and Total Performance Score (TPS). Hospitals must submit the review and correction request within **30 calendar days** of the posting date of the Value-Based Percentage Payment Summary Report on *QualityNet* (the date this Report is posted to *QualityNet* = Day 1).

Fields marked with an asterisk (\*) are required.

Note: Hospitals can only request an appeal after first requesting a review and correction of their performance scores. Hospitals that do not submit this formal request within 30 calendar days of report posting on *My QualityNet* waive eligibility to submit a CMS HVBP appeals request for the applicable fiscal year.
