E. IMPORT OF SPORT-HUNTED TROPHIES OF ARGALI

- Note 1.** If you hold an import permit for trophy/trophies that you did not use, please **return the unused original permit**. If you are requesting reissuance of a permit because you have taken a trophy, but were unable to import it prior to the expiration of the permit, please use the renewal form, (3-200-52) <http://www.fws.gov/international/permits/by-form-number/index.html>, and return your original permit with that form.

- Note 2.** This form should be used only if you intend to hunt in Mongolia, the Kyrgyz Republic (Kyrgyzstan), and the Republic of Tajikistan (Tajikistan) that has annual quotas on the take of argali. Any permits issued will be conditioned that the permit is valid only if, at the port of entry, evidence from the conservation agency in the country of origin is presented showing that the trophy was part of that quota (e.g., copy of hunting license). If you are hunting in a different country, please use form 3-200-20 <http://www.fws.gov/international/permits/by-form-number/index.html>.

- Note 3.** Typically the Service receives more applications for permits than we are able to issue. In order to create the most equitable distribution system for issued permits, we have developed a specific procedure for accepting and ranking argali applications. Please see a discussion of this procedure on our website (<http://www.fws.gov/international/permits/by-form-number/index.html>).

- Note 4.** **This permit will require a report on your hunt that must be submitted within 30 days of the import of your trophy. If you do not import a trophy you must return the unused permit. No further permits can be issued until this requirement is fulfilled.**

Provide the following information. Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use a separate sheet of paper. On all attachments or separate sheets you submit, please indicate the application question number you are addressing. If applying for more than one trophy, be sure to answer questions 2 through 6 for each trophy addressed in the application.

6. The U.S. Fish and Wildlife Service must make certain determinations under the U.S. Endangered Species Act before an import permit can be issued. If you have information (e.g., recent population surveys of argali in the area where you will hunt/have hunted; how the funds from license/trophy fees will be spent; what portion of the hunting fee will support conservation) that would support our findings, submit this information below or on a separate page with your application.

(50 CFR 13.21(c)) Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?
