

Business Taxpayer Burden Survey

IRS Business Taxpayer Burden Survey

The purpose of this survey is to provide Congress and the President with accurate estimates of the costs incurred by business taxpayers in complying with federal tax rules and regulations as well as to inform tax administrators and policy makers regarding opportunities to reduce and otherwise manage these costs. Please be assured that you will not be asked about the income or other financial details of your business' tax return.

This questionnaire relates to the activities associated with the preparation and filing of your 2009 federal income tax return and any other tax returns (i.e., employment, excise, information returns, state and local, etc.) filed for the same period. This includes any filings completed in the 12 months leading up to the filing of your business' 2009 federal income tax return.

The individual most responsible for maintaining the financial records for your business or making the financial and tax-related decisions for your business should complete this questionnaire. You may need to consult with others in your organization to complete the survey and we encourage you to do so.

This survey includes questions regarding the following content areas:

- Tax Preparation Methods and Activities
- Tax-related Recordkeeping
- Gathering Materials, Learning About Tax Law, and Using IRS Taxpayer Services
- Tax Form Completion
- Tax Department Personnel and Budget
- Time Associated with Tax Compliance
- Allocation of Time Burden Across Tax Compliance Activities
- Allocation of Time Burden Across Type of Employee
- Fees Associated with Tax Compliance
- Demographics

Please be assured that your responses will be **used for research and aggregate reporting purposes only and will not be used for other non-statistical or non-research purposes such as direct enforcement activities**. If you have questions about the content of this survey or how to complete a web version of the survey, please call Josh Rubin at 1-888-221-3394 or send an email to: IRS-BTB@westat.com. If you would like to speak to someone at IRS, please call the IRS Communications & Liaison office at 202-283-8574.

OMB No: 1545-1432. Expiration Date: 01/31/2013. This report is authorized under the Paperwork Reduction Act. Data collected will be shared with IRS staff, but your responses will be **used for research and aggregate reporting purposes only and will not be used for other non-statistical or non-research purposes such as direct enforcement activities**. The information that you provide will be protected to the fullest extent allowable under the Freedom of Information Act (FOIA). Public reporting burden for this collection of information is estimated to average 15 to 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to IRS Tax Products Coordinating Committee, SE:W:CAR:MP:T:T:SP, 1111 Constitution Avenue, NW, Washington, DC 20224.

TAX PREPARATION METHODS AND ACTIVITIES

This part of the survey collects general information about your business. Please answer all questions with reference to the most recent tax return year. The most recent tax year includes the 12 months leading up to the filing of your business' most recent federal income tax return.

1. Which of the following methods did your business use to prepare its most recent federal income tax return? Include activities done by external service providers. **Check all that apply.**

Did your business use...

- A tax preparation service?
 A tax advisory service?
 Accounting and/or financial software?
 Tax preparation software? (e.g., Turbo Tax, Tax Cut, H&R Block At Home, InSource, CORPTAX, custom software)
 Employees of your business?
 Paper or pdf version of the IRS tax forms?
 Any other methods(s)? Please specify:

2. In addition to preparation of your business' federal income tax return, which of the following activities did your business engage in (as part of its internal operations rather than as services provided to clients) during the most recent tax year? Please check the corresponding box if the activity was performed by an employee of your business (including owners) and/or an external service provider. If both performed a particular activity, check both boxes for that activity.

G. Other information returns? (1099s, etc.)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

As mentioned earlier, the purpose of this survey is to provide Congress and the President with accurate estimates of the costs incurred by business taxpayers to comply with federal tax rules and regulations. For most businesses these costs are a combination of time spent and out-of-pocket expenses (e.g., fees paid to external service providers, software costs). In the remaining sections we will ask for estimates of these costs.

TAX DEPARTMENT PERSONNEL AND BUDGET

6. Does your organization have a dedicated tax department? *Please note that this is not typical for smaller businesses. Do not include your external service provider.*

Yes ➔ Please go to questions 7-9 below

No ➔ Please go to question 10 on page 6

7. If you answered yes to question 6, how many full-time equivalents (FTEs) were dedicated to your business' tax department in the most recent tax year?

Please note that an FTE is defined as the total number of hours worked divided by the standard number of hours worked per year. The standard number of hours worked per year is defined as 40 hours per week, 52 weeks per year, or 2,080 hours. For example, an employee that works 40 hours per week, 52 weeks per year is equal to one FTE, whereas an employee who works 20 hours per week, 52 weeks per year is equal to half an FTE.
