Reason for emergency extension request

HUD has been investigating if the above named collection is necessary. We have received less than 10 responses for this collection. However, after further investigation, it has been determined that at least 10 respondents associated with this collection are possible; therefore, we are requesting a 60 day extension in an effort to remain compliant with regards to this information collection.

Due to the delay in receiving information to determine the need for the information collection, we are requesting more time to complete the paperwork clearance process and consider any comments received.
