

**Automated
Indian Housing Plan/Annual Performance Report
Version 1.0**

The automated version of the IHP/APR simplifies the completion of the form by providing drop-down menus, check boxes, auto-filling data fields, columns and rows that total automatically, text fields that expand to accommodate narratives of any size, data quality checks, and other enhancements.

This version also features comment boxes that provide additional information on almost all elements of the form. Wherever there is a small red triangle in the corner of a cell, there is a comment box. Simply place the cursor over the cell with a red triangle and the comment box will appear. There is no requirement to read the comments, they are merely provided to make it easier to understand and complete the form. The comments were extracted from Program Guidance 2011- 07 (Revised Guidance for the Indian Housing Plan/Annual Performance Report).

For full functionality it is recommended that Excel 2007 or higher be used.

Completing the Form

Click the tabs at the bottom starting with "Section 1" and fill out all applicable information in the yellow or green fields. Yellow fields are the IHP and green fields are the APR. IHP fields will turn white when completed and APR fields will turn gray when completed. If any of the yellow or green fields don't apply, enter "N/A".

The tab for each section of the form will turn from red to blue once all the required fields in an IHP or APR are completed. If one or more fields in a tab are not completed, the tab will remain red. If this occurs, review all the fields and identify where information or data still needs to be entered. Once all the fields are completed, the tab will turn blue. In the tables, enter a 0 (zero) if there are no units or dollar amounts for that cell; otherwise, the tab will not turn from red to blue.

Once a text field is completed it is necessary to click anywhere outside the field in order for the text to be accepted. If pasting text from a Word document into a text field, it is necessary to click in the text field before pasting. Use the scroll bar to navigate through a section, rather than the Enter key.

Section 3 (Program Descriptions) Instructions

Fill out all the information for the first program that plans to use IHBG funds. To fill out and describe additional programs, click the "Add New Program" button. This will create an additional tab for the new program, and the new tab will be identified as 3.2,.3.3, etc. To delete a program, click the "Remove THIS Program" button, and the program tab will be deleted. The addition of a new program in Section 3 will automatically create a new row for the program in Line 3 (Uses of Funding) of Section 5. Similarly, the deletion of a program in Section 3 will automatically delete the row in Line 3.

Section 5 (Budgets) and Section 11 (Inspections) Data Quality Assurance

Line 3 (Uses of Funding) has several instances where data must not exceed data provided in Line 2 (Sources of Funding). For example, it is not possible to expend more IHBG funds than are budgeted. If there is a data mismatch, the corresponding cell in the "TOTAL" row of Line 3 will turn red. Correct the data in the table(s) until the cell is no longer red and becomes purple.

In Section 11 (Inspections) if the number of housing units inspected exceeds the number of housing units, the cell(s) in the "Total Number of Units Inspected" column will turn red. Correct the data until the cell(s) becomes blue.

Saving the Form

The automated form contains macros that must be enabled in order for the form to be fully functional. To retain the macros, select "Save As" in the Office Button and select "Excel Macro-Enabled Workbook." This step only needs to be done when first saving the form, subsequent saves will automatically retain the macros.

Printing the Form

In addition to retaining an electronic version of the automated form, it is possible to retain a hard copy for filing. To print all sections of the form, select "Print" in the Office Button and check "Entire Workbook" in the "Print What" portion of the Print window. To print a specific section of the form, select "Print" in the Office Button and check "All" in the "Print Range" portion of the Print window.

Submitting the Form

Once the automated IHP or APR is completed, it may be submitted to your Area Office of Native American Programs as an email attachment or sent by fax or regular mail. It is recommended that the form be submitted as an email attachment in order for the form to retain its automated capabilities.

To document official signatures, print and sign hard copies of the pages that require signatures, and send the signed pages as an email attachment or by fax or regular mail. The sections of the IHP that require the signature of the authorized official are Sections 1 and 8, and Sections 15 and 16, if applicable. For the APR, Section 1 requires an official signature.

General Instructions

Timing and Format of Submissions

To receive an IHBG, a recipient must submit a One-Year IHP, as required by NAHASDA Section 101(b)(1). Recipient programs that are fully or partially funded by IHBG, IHBG program income, or Title VI must be included in the IHP. The recipient is required to submit the IHP to HUD at least 75 days prior to the start of its 12-month program year, as required by NAHASDA Section 102(a)(1)(A). When filling out the IHP, the recipient should leave blank the grey sections that represent the APR.

At the end of the recipient's program year, the recipient will complete the APR by opening the IHP file (if the IHP has been updated or amended, use the most recent (i.e., last version) and enter the APR data for that applicable 12-month program year in the appropriate grey colored sections). The APR has been designed to track the programs and the 12-month tasks outlined in the One-Year IHP. The APR describes annual accomplishments and shows the progress made toward planned eligible activities, intended outcomes, and programs. At a minimum, the APR text must describe the results of IHBG, IHBG program income, and Title VI expenditures, as applicable. Recipient programs that are partially funded by IHBG, IHBG program income, or Title VI must be included in the APR. If the recipient wishes to report on programs funded by other sources, it may do so.

Twelve-Month Approach

This IHP and APR form represents a new approach to planning and tracking annual expenditures. In the past, IHPs and APRs were exclusively tied to each federal funding award, and the recipient was required to have an IHP and an APR for each open federal grant. The new approach ties planning and reporting to the recipient's 12-month program year. Thus, each recipient submits one IHP each year that covers the activities it plans to undertake during its upcoming 12-month program year, including any uncompleted activities carried over from a prior year plan.

The IHP must be postmarked no later than 75 days before the beginning of the recipient's program year. If the deadline date falls on a Saturday or Sunday, the postmark date must be the following Monday. The IHP also can be faxed or sent electronically to the Area ONAP. Title I, Section 101(b)(2) of NAHASDA, provides authority for HUD to waive the submission requirements of Section 101(b)(1) for up to 90 days. Requests for waivers of the deadline for IHP submission should be submitted to the recipient's Area ONAP. The waiver request can be submitted at any time before or after the IHP submission deadline; however, an extension may only be granted for up to 90 days after the original deadline.

The Federal Fiscal Year (FFY) is always October 1 to September 30, and is always in advance of the calendar year. For example, FFY 2012 starts on October 1, 2011, and ends on September 30, 2012.

The recipient's program year for 2012 could start on October 1, 2011, January 1, 2012, April 1, 2012, or July 1, 2012. If the recipient follows the guidance above, the due date of the IHP will depend on the recipient's chosen program year (PY). For example:

<u>FFY 2012</u>	<u>Recipient PY</u>	<u>IHP Due Date (75 calendar days prior to start of PY)</u>
Oct. 1, 2011 – Sept. 30, 2012	October 1 – September 30	July 18, 2011
	January 1 – December 31	October 18, 2011
	April 1 – March 31	January 17, 2012
	July 1 – June 30	April 17, 2012

In some federal funding years, the U.S. Congress does not appropriate funds until well into the FFY. For example, even though the FFY starts on October 1, it is not uncommon to have the IHBG appropriation occur in January. Thus, the recipient may not know its final IHBG grant amount until January. To address these instances, HUD runs a draft of the IHBG formula using the anticipated level of funding, and sends this information to the recipient using the Formula Response Form.

If the final appropriation is unknown at the time the IHP is due, the recipient may base its IHP budget on this estimated IHBG amount or the previous year's IHBG amount. When the final appropriation is known, the recipient should update the IHP in its files to include the final amount. For any recipient whose IHP has already been found in compliance, once the final budget appropriation is available, the Area ONAP will automatically process the grant agreement and send it to the recipient.

If the recipient adds a new activity or reduces its support for 1937 Act housing, it must submit an IHP amendment using the form provided in Section 16 of the IHP. If the recipient does not add a new activity or reduce its support for 1937 Act housing, then any other changes can be reflected in the APR submission and the revised IHP should NOT be sent to the Area ONAP.

Advance funding is not available to the recipient unless and until HUD publishes an advance funding Notice for that fiscal year. So, the recipient can access advance funding after a Notice has been published by HUD, it has submitted an IHP, and HUD has determined the IHP to be in compliance. In order to take advantage of this flexibility, the recipient's authorizing official must submit a written request to HUD.

The APR is due to the Area ONAP no later than 90 calendar days after the end of the recipient's program year. The APR must describe the activities and expenses from the previous 12-month program year. The APR is designed to track to the IHP sections so that the recipient can easily report on progress toward IHP eligible activities.

The recipient is required to submit its IHP and APR data using the completed IHP and APR form (form HUD-52737). However, the recipient is welcome to expand beyond the IHP and APR form and submit additional data. This data may be presented in the form of text, charts,

tables, maps, etc. The recipient may choose to submit this additional data to HUD, or use it solely for its own local purposes.

Recipients with additional questions about the IHP/APR form should contact their Area Office of Native American Programs (Area ONAP).

IHP: PLANNED PROGRAM YEAR ACTIVITIES (NAHASDA § 102(b)(2)(A))

For each planned activity, complete all the non-shaded sections below. It is recommended that for each program name you assign a unique identifier to help distinguish individual programs. This unique number can be any number of your choosing, but it should be simple and clear so that you and HUD can track tasks and results under the program and collect appropriate file documentation tied to this program.

- One way to number your programs is chronologically. For example, you could number your programs 2011-1, 2011-2, 2011-3 etc.
- Or, you may wish to number the programs based on type. For example rental 1, rental 2, homebuyer1, homebuyer 2 etc. This type of numbering system might be appropriate if you have many programs that last over several years.
- Finally, you may wish to use an outline style of numbering. For example, all programs under your first eligible activity would start with the number 1 and then be consecutively numbered as 1.1, 1.2, 1.3 etc.

The programs under the second eligible activity would be numbered as 2.1, 2.2, 2.3 etc.

APR: REPORTING ON PROGRAM YEAR PROGRESS (NAHASDA § 404(b))

Complete the shaded section of text below to describe your completed program tasks and actual results. Only report on activities completed during the 12-month program year. Financial data should be presented using the same basis of accounting as the Schedule of Expenditures of Federal Awards (SEFA) in the annual OMB Circular A-133 audit. For unit accomplishments, only count units when the unit was completed and occupied during the year. For households, only count the household if it received the assistance during the previous 12-month program year.

1.1. Program Name and Unique Identifier:	
1.2. Program Description <i>(This should be the description of the planned program.):</i>	
1.3. Eligible Activity Number <i>(Select one activity from the Eligible Activity list. Do not combine homeownership and rental housing in one activity, so that when housing units are reported in the APR they are correctly identified as homeownership or rental.):</i>	
1.4. Intended Outcome Number <i>(Select one outcome from the Outcome list.):</i>	
Describe Other Intended Outcome <i>(Only if you selected "Other" above):</i>	
1.5. Actual Outcome Number <i>(In the APR identify the actual outcome from the Outcome list.):</i>	
Describe Other Actual Outcome <i>(Only if you selected "Other" in above):</i>	
1.6. Who Will Be Assisted <i>(Describe the types of households that will be assisted under the program. Please note: assistance made available to families whose incomes fall within 80 to 100 percent of the median should be included as a <u>separate</u> program within this section.):</i>	
1.7. Types and Level of Assistance <i>(Describe the types and the level of assistance that will be provided to each household, as applicable.):</i>	
1.8. APR: <i>Describe the accomplishments for the APR in the 12-month program year.</i>
