

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 3145-0215)

TITLE OF INFORMATION COLLECTION:

Acquisition 360 - Improving the Acquisition Process through Timely Feedback from External and Internal Stakeholders

PURPOSE:

In March 2015, the Office of Federal Procurement Policy (OFPP) released “Acquisition 360 – Improving the Acquisition Process through Timely Feedback from External and Internal Stakeholders.” The memo directed the 24 Chief Financial Officers (CFO) Act agencies to implement the first-ever standardized, transactional procurement survey designed to provide government managers with a 360 degree view of their procurement operations based on vendor and internal team feedback. The initial iteration of Acquisition 360 was quite successful.

The second iteration of Acquisition 360 will use the same question sets as the first effort. However, the scope will be broadened to a minimum of 65 new procurements for each CFO Act agency (non-CFO Act agencies are strongly encouraged to participate). Agencies are free to determine where to focus their surveys, but should ensure that at least 15 IT awards are surveyed as part of the effort.

DESCRIPTION OF RESPONDENTS:

The respondents will be vendors who have participated in the National Science Foundation’s procurement process by submitting quotes or proposals in response to NSF solicitations for new procurements.
