Privacy Act of 1974: New System of Records

AGENCY: U.S. Office of Personnel
Management (OPM).

ACTION: Notice of a new system of
records.

SUMMARY: The Office of Personnel Management is proposing to add a new system of records to its inventory of record systems subject to the Privacy Act of 1974 (5 U.S.C. 552a), as amended. This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register** notice of the existence and character of records maintained by the agency (5 U.S.C. 552a(e)(4)). The Investigative Training Records (Internal 19) system of records has been operational since June 2005 without incident. Previously, OPM has relied on preexisting Privacy Act system of records notices for the collection and maintenance of these records. In an effort to increase transparency, OPM is publishing a separate notice for this system.

DATES: This addition will be effective without further notice forty (40) calendar days from the date of this publication, unless we receive comments that result in a contrary determination.

ADDRESSES: Send written comments to the Program Manager for the Freedom of Information and Privacy Act Office, Federal Investigative Services, U.S. Office of Personnel Management, 1137 Branchton Road, P.O. Box 618, Boyers, Pennsylvania 16018.

FOR FURTHER INFORMATION CONTACT: Program Manager, Freedom of Information and Privacy Act office, FISSORNComments@opm.gov.

SUPPLEMENTARY INFORMATION: In accordance with the Privacy Act of 1974, 5 U.S.C. 552a, the Office of Personnel Management Federal Investigative Services (OPM-FIS) proposes to establish a new system of records titled Investigative Training Records (Internal 19). This system of records allows OPM-FIS to document training given to OPM employees, contractors, and other Federal employees and contractors by, through, or in conjunction with the FIS National

Training Center (NTC), including records on those who register for training, but do not attend. It will provide OPM with a means to track the training that is provided; the expenditure of training and related funds; identify training needs and trends; assess the effectiveness of training; schedule classes and instructors; determine individual qualifications for appointment or promotion in the Federal service as applicable; and respond to requests for information related to the training offered by or through FIS.
