

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0572-0059. The time required to complete this information is estimated to average of 1.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

**CERTIFICATE OF COMPLETION
SPECIAL EQUIPMENT CONTRACT
(INCLUDING INSTALLATION)**

TO: ADMINISTRATOR
RURAL UTILITIES SERVICE
U. S. DEPARTMENT OF AGRICULTURE
WASHINGTON, D.C. 20250

_____ **PROJECT DESIGNATION** _____

I, the undersigned Engineer of the above-designated Rural Utilities Service Project, do hereby certify that:

1. The installation of equipment provided for pursuant to Contract No. _____ dated _____ 20_____, including all approved amendments, (hereinafter called the "Project") between _____ (Owner) and _____ (Contractor)

has been completed as of _____, 20_____, and is in all respects in strict compliance with the provisions of the Loan Contract and the Contract, including specifications, drawings and all modifications thereof.

2. The Contractor has delivered to the Owner a Certificate of Contractor and Indemnity Agreement certifying that all persons who have furnished labor in connection with the Project have been paid in full; that all manufacturers, materialmen and subcontractors which furnished any materials or services, or both, for the Project have been paid in full; that no lien has been filed against the Project and no person has any right to claim any lien against the Project.

3. All the required acceptance tests have been made on the equipment; results were satisfactory, and the Contractor has furnished in writing to the Owner the results of all tests.

4. All defects in workmanship and materials reported during the period of construction of the Project have been corrected.

5. The total cost of the Project as completed is _____ Dollars (\$_____). A break down of the total cost by group, central office, or location, as applicable, is shown on the back of this certificate.

Dated this _____ day of _____ 20_____
