Dear Resident:

The U.S. Census Bureau is conducting the 2014 Census Test in your area. Your response to this brief survey is important and will help in our efforts to develop new methods that will make the next census easier, more convenient, and less costly for taxpayers. Results from the next census will be used to help each community get its fair share of federal funding for many programs that you and your neighbors need.

Using the enclosed instruction card, please complete the survey online **by July 1** at:

<https://respond.census.gov/censustest>

Respond on time to avoid a personal visit from a Census Bureau interviewer. Help us conserve natural resources, process data more efficiently, and save taxpayer money by responding online. If you are unable to complete the survey online, you may call 1-866-226-2836 toll-free to provide your census information over the phone.

You are required by U.S. law to respond to this survey. Your answers will only be used for statistical purposes, and no other purpose. The back of this letter contains more information about protecting your data.

Thank you.

Sincerely,

John H. Thompson
Director, U.S. Census Bureau
