### Release of Census Bureau's 2014 Planning Database

Posts 1 | Posted 9/12/2014 2:51 AM |

The Census Bureau has just released the 2014 Planning Database (PDB) of selected 2008–2012 American Community Survey estimates and selected 2010 Census data for census tracts and block groups. The PDB provides more...

### ACS Data User's Conference

Posts 1 | Posted 1/9/2014 9:56 AM | 1

I'm very interested in attending the conference and wonder if there would be interest in a round table/meet-up of librarians/educators/data center reps to discuss the issues involved in training students to use more...
