### American Community Survey Website Feedback

Please take about 5 minutes to complete this feedback form to help the Census Bureau decide what improvements are needed and how to implement changes to the American Community Survey Website.

How did you arrive at the American Community Survey Website? Select all that apply.

- I used the Web address/URL
- I used a link from the search engine
- I clicked on a link in a data table on American Factfinder
- Other:

Which of the following are true?

- You were able to find exactly what you were looking for
- You were able to find part of what you were looking for
- You were able to find something better than what you were looking for
- You were not able to find what you were looking for
- You had no specific agenda in mind when you visited

Comment:

Did you use the tabs at the top and/or left navigation in the sections? Yes  No

If not, how did you find what you are looking for?

- I used a link on the homepage
- I used an external link that brought me directly to the item
- I used an external search
- I used the American Community Survey search
- I used the site map

Was the information easy to understand? Was there jargon you didn't understand? Give some examples.

Do you have any suggestions for improvement?

What, if anything, is missing from the Website that you would like to see?

What information on the Website was most useful/helpful to you? Least useful/helpful?

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this
