GENERAL INSTRUCTIONS

Public reporting burden for this BE-140 report is estimated to average 8 hours per response. This burden includes time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to Director, Bureau of Economic Analysis (BE-1), U.S. Department of Commerce, Washington, DC 20230; and to the Office of Management and Budget, Paperwork Reduction Project 0608-0073, Washington, DC 20503.

Purpose — The 2013 Benchmark Survey of Insurance Transactions by U.S. Insurance Companies with Foreign Persons is conducted by the Department of Commerce to obtain data on the size and economic significance of these transactions. The information collected will be used to help support U.S. international economic policy and to analyze the impact of that policy and the policies of foreign countries on international trade in services. The data will also be used to compile the U.S. international transactions and national income and product accounts.

Authority — This survey is being conducted under the authority of the International Investment and Trade in Services Survey Act (P.L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101-3108, as amended — hereinafter “the Act”), and the filing of reports is mandatory under section 5(b)(2) of the Act (22 U.S.C. 3104). Regulations for the survey may be found in 15 CFR Part 801.

Penalties — Whoever fails to report may be subject to a civil penalty of not less than \$2,500, and not more than \$25,000, and to injunctive relief commanding such person to comply, or both. The civil penalties are subject to inflationary adjustments. Those adjustments are found in 15 CFR 6.4. Whoever willfully fails to report shall be fined not more than \$10,000 and, if an individual, may be imprisoned for not more than one year, or both. Any officer, director, employee, or agent of any corporation who knowingly participates in such violations, upon conviction, may be punished by a like fine, imprisonment, or both. (See 22 U.S.C. 3105.) Notwithstanding the above, a U.S. person is not subject to any penalty for failure to report if a valid Office of Management and Budget (OMB) control number is not displayed on the form; such a number (0608-0073) is displayed at the top of the first page of this form.

Confidentiality — The Act provides that your report to this Bureau is CONFIDENTIAL and may be used only for analytical and statistical purposes. Without your prior written permission, the information filed in your report CANNOT be presented in a manner that allows it to be individually identified. Your report CANNOT be used for purposes of taxation, investigation, or regulation. Copies retained in your files are immune from legal process.

I. WHO IS TO REPORT AND GENERAL COVERAGE

A. Who must report

1. Form BE-140 is to be filed by U.S. insurance companies that have engaged in reinsurance transactions with foreign persons, that have earned premiums from, or incurred losses to, foreign persons in the capacity of direct insurers, or that have engaged in international sale or purchase transactions in services auxiliary to insurance.
2. Responses through Question 2-2 are mandatory regardless of the transaction sizes.
3. If, with respect to these transactions, any of the following eight transaction types reported in Question 2-1 was greater than positive \$2,000,000 or less than negative \$2,000,000 for the 2013 calendar year, on an accrual basis, then responses to

all of the remaining questions are mandatory: (1) premiums earned on reinsurance assumed, and (2) losses incurred on reinsurance assumed; (3) premiums paid for reinsurance ceded, and (4) losses recovered on reinsurance ceded; (5) premiums earned from direct insurance, and (6) losses incurred on direct insurance; (7) Receipts for auxiliary insurance services, and (8) Payments for auxiliary insurance services.

4. If, however, all of the amounts reported in Question 2-1 were less than \$2,000,000 and greater than negative \$2,000,000, then responses to all the remaining questions are voluntary.

B. Transactions involving a broker — At times, insurance transactions between a U.S. person and a foreign person may be arranged by, billed through, or otherwise facilitated by, a broker, agent, or intermediary. In order to avoid duplication, the data should be reported by the insurance company assuming the risk or recovering or paying the loss. Brokers, agents, and intermediaries are generally not to report.

II. WHAT TO REPORT

- A.** Report transactions with affiliated foreign persons as well as with unaffiliated foreign persons (see **Definitions** IV.J and K). **Please file the appropriate schedules to report transactions with (1) your foreign affiliates, (2) your foreign parent(s), and other members of the affiliated foreign group, and (3) unaffiliated foreign persons.**
- B.** Report transactions with alien insurance groups, whether or not funds remitted to and from these organizations are cleared through their American Trust Funds.
- C.** Note that the criterion for reporting is whether the transaction is between a U.S. person and a foreign person. It is immaterial whether the assets insured are located in the United States or abroad.
- D.** Report transactions with U.S. affiliates of foreign firms **for the account of their foreign parent firm.** (Report them on the schedule covering your transactions with unaffiliated foreign persons.)
- E.** Report transactions with foreign persons made by your foreign affiliate **for your account.** (Report them on the schedule covering your transactions with unaffiliated foreign persons.)

III. WHAT NOT TO REPORT

- A.** Do **not** report transactions with U.S. affiliates of foreign firms for their own account. Transactions with these U.S. affiliates are considered domestic-to-domestic for purposes of this survey.
- B.** Do **not** report transactions with foreign persons made by your foreign affiliates **for their own account.**
- C.** Do **not** report premiums to, or losses from, foreign insurance companies on direct insurance. Premiums on such insurance purchased from foreign insurance companies are to be reported on Form BE-120, Benchmark Survey of Transactions in Selected Services and Intellectual Property with Foreign Persons, and on Form BE-125, Quarterly Survey of Transactions in Selected Services and Intellectual Property with Foreign Persons. Copies of these surveys can be downloaded from BEA's web site at <http://www.bea.gov/surveys/iussurv.htm>.
