Public reporting burden of this collection of information is estimated to average 2 minutes per response, including time for reviewing instructions, searching for existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0920).

**We are asking people to be in a research study that will help us learn more about what people think about HIV testing. [Insert survey vendor] and RTI, a research company in North Carolina, are doing the study. The Centers for Disease Control and Prevention (CDC) in Atlanta, Georgia is funding the research.**

**To see if you are a good match for this study, we will need to ask you some personal questions. Some of the questions will be about the types of sex you have and your HIV status, if you know it. It is your choice to answer the questions. Your answers will be kept private to the extent allowed by law. You can refuse to answer any question or stop at any time.**
