28. Please tell us how much you agree or disagree with each of the following statements. Someone who is HIV-negative and not taking medicines to prevent HIV (e.g., PrEP/Truvada,) should get tested for HIV every 6 months if they...

	Strongly agree	Agree	Neither agree or disagree	Disagree	Strongly disagree	Prefer not to answer
...always have sex with a condom.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
...have had anal insertive sex (topping) without a condom	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
...have had anal receptive sex (bottoming) without a condom.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
...have a sex partner who is HIV positive.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
...have had anal sex without a condom (receptive or insertive) with a partner whose HIV status they don't know.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
...have had more than one sex partner since their last HIV test.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

29. Please tell us how much you agree or disagree with the following statement: I am confident that I can get an HIV test.

- Strongly agree
- Agree
- Neither agree or disagree
- Disagree Strongly disagree
- Prefer not to answer

Next, we'd like to ask you some questions about the people you have sex with and things you might talk to them about.

34. Do you currently have a main male sexual partner—that is, a partner you would call your boyfriend, spouse, significant other, or life partner?

- Yes
- No
- Prefer not to answer

35. How long have you been in a sexual relationship with your main male sexual partner?

- Prefer not to answer

Please enter start date: (MM/YYYY)

36. Do you know the HIV status of your main male sexual partner?

- Yes
- No
- Prefer not to answer

37. What is your main male sexual partner's HIV status?

- My main partner is HIV negative.
- My main partner is HIV positive.
- My main partner has not been tested for HIV.
- My main partner has not told me his HIV status.
- Prefer not to answer

38. Have you had sex with another man during the time you have been with your current main male sexual partner?

- Yes
- No
- Prefer not to answer

We'd now like to ask you some questions about casual sexual partners. A non-main or casual sexual partner is someone who you do not consider to be a spouse, significant other, or life partner.

39. In the past 12 months, how many casual (non-main), male sexual partners did you have anal or oral sex?

- Prefer not to answer

Number:

40. Do you know the HIV status of your most recent casual (non-main) male sexual partner?

- Yes
- No
- Prefer not to answer

41. What is the HIV status of your most recent casual (non-main) male sexual partner?

- My most recent casual (non-main) male sexual partner is HIV negative.
- My most recent casual (non-main) male sexual partner is HIV positive.
- My most recent casual (non-main) male sexual partner has not been tested for HIV.
- My most recent casual (non-main) male sexual partner has not told me his HIV status.

46. How sure are you that you could have one-on-one conversations with your next main male sexual partner about ways to prevent HIV before engaging in any sexual activities?

- Very sure
- Somewhat sure
- Neither sure nor unsure
- Somewhat unsure
- Very unsure
- Prefer not to answer

47. How sure are you that you could have one-on-one conversations with your next casual male sexual partner about ways to prevent HIV before engaging in any sexual activities?

- Very sure
- Somewhat sure
- Neither sure nor unsure
- Somewhat unsure
- Very unsure
- Prefer not to answer

status

Making agreements
with your main male
sexual partner about
having sex with other
partners (i.e., whether
to, when, with whom,
and what kind of sex
that takes place inside
and outside the
relationship)

status

Making agreements
with your main male
sexual partner about
having sex with other
partners (i.e., whether
to, when, with whom,
and what kind of sex
that takes place inside
and outside the
relationship)

50. Talking to my sexual partner about ways to prevent HIV would be...

- Very good
- Somewhat good
- Neither good nor bad
- Somewhat bad
- Very bad
- Prefer not to answer

51. Most of my friends, family, and other people close to me think I should talk to my sexual partner(s) about ways to prevent HIV.

- Strongly agree
- Agree
- Neither agree nor disagree
- Disagree
- Strongly disagree
- Prefer not to answer

52. Most of my sexual partners think I should talk to them about ways to prevent HIV.

- Strongly agree
- Agree
- Neither agree nor disagree
- Disagree
- Strongly disagree
- Prefer not to answer

53. How often do you think that your friends and other people close to you discuss ways to prevent HIV with their sexual partner(s)?

- Always
- Usually
- Occasionally
- Never
- Prefer not to answer

56. Please tell us if you agree or disagree with the following statement: I trust the Centers for Disease Control, or CDC, as a source for HIV information.

- Strongly agree
- Agree
- Neither agree nor disagree
- Disagree
- Strongly disagree
- Prefer not to answer

57. Thinking about the sex you've had over the past 12 months, do you consider yourself to be low, medium or high risk for getting HIV?

- Low risk
- Medium risk
- High risk
- Prefer not to answer

58. In the past 12 months, how often did you look for male sexual partners with same HIV status as you?

- Always
- Usually
- Occasionally
- Never
- Prefer not to answer

59. In the past 12 months, how often did you use your HIV status and your male partner's HIV status to determine which sexual activities (i.e., oral and anal intercourse) you would engage in?

- Always
- Usually
- Occasionally
- Never
- Prefer not to answer

60. In the past 12 months, how often did you use your HIV status and your male partner's HIV status to determine which sexual roles/positions (i.e., insertive/top or receptive/bottom) you would engage in?

- Always
- Usually
- Occasionally
- Never
- Prefer not to answer

61. In the past 12 months, how often did you use condoms for anal sex with your current main male sexual partner?

- Always
- Usually
- Occasionally
- Never
- Prefer not to answer

62. Some couples develop agreements about whether, when, and with whom sex outside the relationship is okay. Which one of the following scenarios best describes any agreements that you and your main partner have?

- Both of us cannot have any sex with an outside partner
- We can have sex with outside partners but with some restrictions
- We can have sex with outside partners without any restrictions
- We do not have an agreement
- Prefer not to answer

63. In the past 12 months, how often did you use condoms for anal sex with casual (non-main) male sexual partners?

- Always
- Usually
- Occasionally
- Never
- Prefer not to answer

64. Are you currently taking antiretroviral medicines to treat your HIV infection?

- Yes
- No
- Prefer not to answer

65. What is the main reason you are not currently taking any antiretroviral medicines?

- Not currently going to a health care provider for my HIV infection
- CD4 count and viral load are good
- Don't have money or insurance for antiretroviral medicines
- Don't want to take antiretroviral medicines
- Prefer not to answer

Other (Specify)

66. Have you ever had an HIV viral load test?

- Yes
- No
- Don't know
- Prefer not to answer

67. What was the result of your most recent viral load test?

- Undetectable
- Detectable copies/ml
- Don't know
- Prefer not to answer

68. Before today, have you ever heard of people who do not have HIV taking HIV medicines (PrEP or Truvada) before sex, to keep from getting HIV?

- Yes
- No
- Prefer not to answer

69. Before today, have you ever heard of people who do not have HIV taking HIV medicines (post-exposure prophylaxis, nPEP, or PEP) after sex, to keep from getting HIV?

- Yes
- No
- Prefer not to answer

70. True or False: If someone has HIV and their viral load is “undetectable”, they cannot transmit HIV to other people.

- Yes
- No
- Prefer not to answer

71. In the past 12 months, have you taken HIV medicines (post-exposure prophylaxis, nPEP or PEP) after sex because you thought it would keep you from getting HIV?

- Yes
- No
- Prefer not to answer

72. In the past 12 months, have you taken HIV medicines (pre-exposure prophylaxis, PrEP or Truvada) before sex because you thought it would keep you from getting HIV?

- Yes
- No
- Prefer not to answer

73. Please tell us how much you agree or disagree with each of the following statements.

Strongly agree Agree Neither agree
or disagree Disagree Strongly
disagree Prefer not to
answer

The fact that I am a
gay man is an
important part of my
identity.

74. What is the highest grade or year of school you finished?

- Never attended school or only attended kindergarten
- Grades 1 through 8 (elementary)
- Grades 9 through 11 (some high school)
- Grade 12 or GED (high school graduate)
- College 1 year to 3 years (some college or technical school)
- College 4 years or more (college graduate)
- Prefer not to answer

75. Which best describes your total personal income during the past year?

- Less than \$20,000
- \$20,001 to \$30,000
- \$30,001 to \$40,000
- \$40,001 to \$50,000
- \$50,001 or more
- Prefer not to answer

76. What is your current relationship status?

- Single
- Married to a man
- Married to woman
- In a relationship with a man
- In a relationship with a woman
- Prefer not to answer

77. Do you currently have health insurance or health care coverage?

- Yes
- No
- Don't Know
- Prefer not to answer

78. In what country or territory were you born?

- United States
- Puerto Rico
- Mexico
- Cuba
- Prefer not to answer

Other (Specify)

79. How many years have you been living in the United States?

[If less than one year, put 0 in the space. Round to whole years]

80. What language are you most comfortable using with your family and friends?

- English
- Spanish
- English and Spanish equally
- Prefer not to answer

Other (Specify)

81. When you got tested in ___/___, where did you get tested?

- | | |
|--|--|
| <input type="radio"/> Private doctor's office | <input type="radio"/> Correctional facility (jail or prison) |
| <input type="radio"/> HIV counseling and testing site | <input type="radio"/> Emergency room |
| <input type="radio"/> Public health clinic/community health clinic | <input type="radio"/> At home |
| <input type="radio"/> Street outreach program/mobile unit | <input type="radio"/> Other |
| <input type="radio"/> Sexually transmitted disease clinic | <input type="radio"/> Don't know |
| <input type="radio"/> Hospital (inpatient) | <input type="radio"/> Prefer not to answer |

82. Below is a list of reasons why some people have not been tested for HIV. Which of these best describes the most important reason you have not been tested for HIV in the past 6 months? [Check one]

- I think I am at low risk for HIV infection.
- I am afraid of finding out that I have HIV.
- I didn't have time.
- No particular reason.
- Prefer not to answer.

Some other reason (Specify)
