Allow the participant 2 attempts to enter a telephone number. If he does not answer on the second attempt skip to End1.

QS 4a. We just sent you a text message with a code. Please keep this code. You will need it to enter the Web site for the first time to set up your username (login) and password.

Enter the code: * _____

No code received? Send another. [To re-send code]

If the code is correct, display “Thank you for entering the correct code.” **and go to QS4.**

If the code is not correct, display “Sorry, that is not the correct code. Please re-enter the code to proceed.” **and loop back to enter the code.**

Allow the participant 3 attempts to enter the code. If he does not enter the correct code on the third attempt skip to End1.

Please provide us with a shipping address so we can send you rapid HIV home test kits by FedEx during the study. The package will arrive in a plain shipping box. You may choose to receive packages at home, at a family member’s address, or a friend’s address. However, Fed Ex cannot ship to a P.O. Box. If you cannot provide a shipping address you cannot participate in our study.

QS5. Enter shipping address: *

Address 1: _____

Address 2: _____

City: _____

State: _____

Zip: _____

If QS5 is not answered, display “Please enter a valid shipping address to proceed.” **and loop back to enter the shipping address.**
