

OMB Burden Disclosure Statement

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions and completing and reviewing the collection of information. Send comment regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Planning, Analysis, and Evaluation (OPAE), Center for Scientific Review, National Institutes of Health, Bethesda, MD 20892 and to the Office of Management and Budget (OMB), Paperwork Reduction Project (1910-1400), Washington, D.C., 20503.

Each year, the Center for Scientific Review reviews over 50,000 grant applications using more than 15,000 volunteer reviewers who serve on panels chaired by distinguished senior scientists. CSR has expended considerable effort in providing training to Chairs and is conducting an evaluation of this training. To help us refine and improve the quality of Chair training please take a few minutes to complete the survey below.

You are not obliged to participate in this survey but we would be grateful if you could take a few minutes of your time to answer the questions below. Your comments will be anonymized and deleted once the data are aggregated. Your responses are secure to the extent permitted by law. The Office of Planning, Analysis, and Evaluation explicitly guarantees that your responses will not be linked to your identity and will be aggregated and anonymized.

When you attended Chair Training at CSR

- 1) The duration of the training session was
