Survey of Applicants (Screen Shots)

2-25-2014

EVALUATION OF THE NATIONAL CANCER INSTITUTE'S CANCER PREVENTION FELLOWSHIP PROGRAM SURVEY OF APPLICANTS

The National Cancer Institute (NCI) has contracted with Westat, an independent research firm located in Rockville, Maryland, to conduct a comprehensive evaluation of the NCI's Cancer Prevention Fellowship Program (CPFP). This includes a comprehensive assessment of the career experiences of people who applied to CPFP. One component of the evaluation is a survey of program applicants.

Participation in the survey is voluntary and the information you provide will be kept private to the extent permitted by law. The survey data will be collected by Westat, and your individual responses to the survey, or any potentially personal identifying information, will not be shared with NCI staff members. The information collected will be published in aggregate form only and will not identify individuals in any reports or presentations. Your participation will help provide valuable information that will assist the NCI and other institutions in making decisions about future program initiatives to improve postdoctoral training.

We anticipate the survey will take approximately 20 minutes to complete.

If you have any questions or comments, please contact Kimberley Raue at Westat at (800) 937-8281, ext. 3865 or CPFP-Applicant@westat.com.

Survey Instructions

Please do not use your browser's 'Forward' and 'Back' buttons to navigate through the survey. Navigating through the survey this way may cause your data to be lost. Please use the 'Previous Page' and 'Next Page' buttons at the bottom of each page to ensure that your data are captured accurately. Please continue by clicking on the 'Next Page' button below. Please note that if you close your browser and return at a later time to complete the survey, when you return, you will be taken to the last page where you entered a response.

OMB No: 0925-0690
Expiration Date: 01/31/2015

Collection of this information is authorized by The Public Health Service Act, Section 411 (42 USC 285a). Rights of study participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. Refusal to participate will not affect your benefits in any way. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all study participants and reported as summaries. You are being contacted to complete this instrument so that we can evaluate the Cancer Prevention Fellowship Program.

Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0690). Do not return the completed form to this address.

SURVEY OF APPLICANTS

EMPLOYMENT INFORMATION

The first section of the survey asks questions about your work history and the type of work you are currently doing.

1. Which statement represents your postdoctoral or fellowship experience? *(Please select one answer.)*

- Completed **one** postdoctoral or fellowship program or position
- Completed **multiple** postdoctoral or fellowship programs or positions
- Have not completed a postdoctoral or fellowship program or position

2. In what year did you complete your most recent postdoctoral or fellowship position?

3. Do you **currently** hold a postdoctoral or fellowship position?

- Yes
 No

4. Including self-employment, what is your **current** employment status? *(Please select one answer.)*

- Employed full-time
 Employed part-time
 Retired
 Not currently employed

5. Which **one** of the following best describes your **primary** employer? *(Please select one answer.)*

- National Cancer Institute (NCI)
- National Institutes of Health (NIH) other than NCI
- Government agency other than NIH
- University or some other academic institution
- Independent cancer research center or some other health research institution
- Health care clinic or hospital
- A foundation or professional association
- Private company
- Self-employed

6. What is your tenure status? *(Please select one answer.)*

- Tenured
- On the tenure track
- Not on the tenure track

7. What is the name of your primary employer?

8. How long have you been at your **current** job?

year(s)

month(s)

9. In what discipline(s) does your current work primarily fall? *(Please select all that apply.)*

- Behavioral or social sciences
- Biological or biomedical sciences
- Epidemiology and/or public health
- Mathematical sciences
- Medicine
- Nutrition sciences
- Physical sciences
- Other (Please specify.)

10. For this question, please exclude time spent on cancer treatment or cancer treatment research. **Approximately** what percentage of your current work is done **in cancer prevention and control**? *(Please select one answer.)*

- None
- A small percentage (1% - 25%)
- A moderate percentage (26% - 50%)
- A large percentage (51% - 75%)
- A very large percentage (76% - 100%)

11. What are the reasons you are **not** currently working in the field of cancer prevention or control?
(Please select all that apply.)

- A suitable job in the field was not available
- A better opportunity outside of the field was available
- My career or professional interests changed
- Personal reasons
- Other (Please specify.)
