

Attachment 10

Twin Type and Drug & Alcohol Screening Survey

Burden Statement

Public reporting burden for this collection of information is estimated to average 10 minute per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-XXXX). Do not return the completed form to this address.

Are you and your twin of OPPOSITE sex? *

- Yes, brother & sister
- No, same sex

Differences

	None	Only slight difference	Clear difference
Are there differences in the shade of yours and your twin's hair?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are there differences in the texture of yours and your twin's hair (fine or coarse, straight or curly, etc?)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are there differences in the color of yours and your twin's eyes?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Are there differences in the shape of yours and your twin's ear lobes?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Did yours and your twins's teeth begin to come through at about the same time?

- We had matching teeth on the same side come through within a few days of each other
- We had matching teeth on opposite sides come through within a few days of each other
- We had different teeth come through within a few days of each other
- Our first teeth did not come through within a few days of each other
- Our teeth have not come through yet
- Don't know

Do you know of any physical differences between you and your twin that are not clear from looking at you (e.g. differences in internal organs?)

- Yes
 - No
 - Don't know
-

If there are differences between you and your twin, are they because of anything like problems at birth, an accident or illness?

- Yes
 - No
 - Don't know
 - There are no differences
-

Do you know yours and your twin's ABO blood group and Rhesus (Rh) factors?

- Yes
 - No
-

Blood type:

	A	B	AB	O
First Born	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Second Born	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

RH type:

	Rh+	Rh-
First Born	<input type="radio"/>	<input type="radio"/>
Second Born	<input type="radio"/>	<input type="radio"/>

As you and your twin have gotten older, has the likeness between you:

- Remained the same
 - Become less
 - Become more
-

When looking at a new photograph of you and your twin, can your family members tell you apart (without looking at your clothes or using any other clues)?

- Yes, easily
 - Yes, but it is hard sometimes
 - No, they often confuse us in photographs
-

Do any of the following people ever mistake you and your twin for each other?

	Yes, often	Yes, sometimes	Rarely or never	No other parent
Your mother	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Your father	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Older brothers & sisters	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other relatives	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Teachers	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Parents' close friends	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Parents' casual friends	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
People meeting you both for the first time	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

If the two of you are ever mistaken for one another, does this ever occur when you are together?

- Yes, often
 - Yes, sometimes
 - No, almost never
 - We are not mistaken for one another
-

Would you say you and your twin:

- Are as physically alike as "two peas in a pod" (virtually the same)
 - Are as physically alike as brothers and sisters are
 - Do not look very much alike
-

14. Have you ever been told by a health professional (for example doctor, nurse, consultant) that you and your twin are identical (monozygotic) or non-identical (fraternal, dizygotic)?

- Yes, identical
 - Yes, non-identical
 - No
-

Do you think that you and your twin are identical or non-identical?

- Identical
 - Non-identical
-

Have you ever drank alcohol (beer, wine, liquor)? This is more than a few sips.

- Yes
- No

About how often do you drink alcohol (beer, wine or liquor)?

- Once in my lifetime
- Once a year
- Few times a year
- One time every month
- One time every 2 weeks
- Once a week
- Every weekend
- Every 2nd day
- Everyday

Thinking of the period of your heaviest use of alcohol...

	Response
How old were you?	<input type="text"/>
How many drinks would you generally have per drinking occasion?	<input type="text"/>

Have you ever seen a professional or received treatment for an alcohol problem?

- Yes
- No

Have you ever tried any drugs other than alcohol (other than those required for medical reasons)?

- Yes
- No

What drugs have you ever tried for recreational use or to get high? This would NOT be medication prescribed by a doctor for an illness or injury.

- Amphetamine (Uppers, Crystal, Meth, Speedball, Ice, Dexedrine, Ritalin)
- Cocaine (Crack, Powder, Coke)
- Opiates (Heroin, Synthetic Heroin, Morphine, Methadone, Codeine, Percodan, Demoral, Dilaudid, Darvon, Vicodin, Oxycodone, Oxycontin)
- Barbiturates (Downers, Seconal, Reds)
- Benzodiazepines (Xanax, Librium, Valium, Dalmane, Serax, Halcion, Ativan)
- LSD (Acid, Window Pane)
- Psilocybin (Mushrooms, Fungus)
- Peyote (Mescaline, Buttons)
- Ecstasy (MDMA, MDA)
- PCP (Angel Dust)
- Marijuana (Reefer, Pot, Weed)
- Amyl Nitrate (Poppers, Rush, Pops)
- Nitrous Oxide (Laughing Gas, Whippets)
- Anabolic Steroids (Roids, Juice)

From the list above, which 3 drugs have you used the most in your lifetime?

Used the most	
Drug 1	-- Please Select --
Drug 2 *	-- Please Select --
Drug 3 *	-- Please Select --

Thinking of the period of heaviest use of each of the three drugs...

	Drug 1	Drug 2	Drug 3
How old were you?	<input type="text"/>	<input type="text"/>	<input type="text"/>
How much did you generally use per occasion?	<input type="text"/>	<input type="text"/>	<input type="text"/>
How often did you use the drug?	<input type="text"/>	<input type="text"/>	<input type="text"/>

Have you ever seen a professional or received treatment for a drug problem?

- Yes
- No

Did/does anyone in your family (father, mother, grandparent, aunts, uncles, brothers or sisters) have an alcohol or other drug use problem?

- Yes
 - No
-

Did/does anyone in your family (father, mother, grandparent, aunts, uncles, brothers or sisters) receive professional help (counseling, inpatient treatment, outpatient treatment, AA, etc.) for an alcohol or other drug use problem?

- Yes
 - No
-

Have you ever smoked cigarettes?

- Yes
 - No
-

At what age did you start smoking?

Do you currently smoke?

- Yes
 - No
-

At what age did you quit smoking?

About how many packs do you smoke per day?

- Less than a pack per day
 - One pack per day
 - Between 1 and 2 packs per day
 - Between 2 and 3 packs per day
 - Between 3 and 4 packs per day
 - More than 4 packs per day
-

About how many cups of caffeinated coffee, tea or caffeinated soft drinks (Pepsi, Coke, Mountain Dew) do you drink in a day?
