ELIGIBILITY

INDIAN BLOOD (25 CFR \$20.100)

Applicant must (1) be a member of a federally recognized Indian Tribe, or (2) in the Alaska service area only, any person who meets the definition of "Native" as defined under 43 U.S.C. 1602(b): "a citizen of the United States and one-fourth degree or more Alaska Indian." It includes, in the absence of proof a minimum blood quantum, any citizen of the United States who is regarded as an Alaska Native by the Native village or Native group of which he claims to be a member and whose father or mother is (or, if deceased, was) regarded as native by a village or group.

<u>RESIDENCY</u> (25 CFR \$20.100 & \$20.300)

To be eligible for assistance or services, an applicant must reside in a designated service area.

ELIGIBILITY FOR OTHER SERVICES

Applicant must not be receiving or eligible to receive County/State Public Welfare or Social Security Income. An individual or family who is presumed to be eligible for these programs may, after providing evidence of having applied for those benefits, be granted General Assistance (GA), pending approval of such application. Also, all clients applying for GA who are eligible for assistance from other programs such as Social Security, Unemployment Benefits, Worker's Compensation, Veteran Benefits, Retirement, etc., will be required to seek and show that they have applied for that assistance. The BIA Financial Assistance and Social Services programs are a secondary resource and cannot be used to supplant or supplement other programs.

POLICY ON EMPLOYMENT: ACCEPTANCE OF AVAILABLE EMPLOYMENT (25 CFR \$20.314)

An applicant must actively seek employment including the use of available state, tribal, county, local or Bureau-funded employment services, which they are able and qualified to perform. This means that a recipient, prior to and after applying for GA, must continue to actively seek employment. An applicant or recipient of GA who is determined employable must also accept local and seasonable employment when it is available. According to 25 CFR \$20.316, the recipient must demonstrate that they are actively seeking employment by providing the Human Services worker with evidence of job search activities as required in the Individual Service Plan (ISP) and if they do not seek available local and seasonal employment or quit a job without good cause, they cannot receive GA for a period of at least 60 days but not more than 90 after they refuse or quit a job.

Applicants must report all current and expected employment and income. Those claiming temporary or permanent disability are required to present documented medical verification of such disability.

REPORTING REQUIREMENTS

It is the responsibility of all Financial Assistance applicants to report and present appropriate documentary verification of any and all changes that may occur in their income or living arrangements. Failure to do so may constitute fraud and be subject to prosecution and/or repayment of disbursements. Each of the following must be reported as they occur:
